PREFACE

Thank you for selecting us for your payment processing needs. Accepting numerous payment options provides a convenience to your customers, increases your customers' ability to make purchases at your establishment, and helps speed payment to your account.

This Program Guide presents terms governing the acceptance of Visa[®], MasterCard[®] and Discover[®] Network Credit Card and Non-PIN Debit Card payments. The Program Guide also includes provisions applicable to Other Services. Other Services include all services related to: JCB[®] Card, PIN Debit Card, and Electronic Benefits Transfer payments, and acceptance of Cards from other Non-Bank Card Associations such as Voyager Fleet Systems, Inc. ("Voyager"), Wright Express Corporation and Wright Express Financial Services Corporation (collectively, "WEX"). Your Merchant Processing Application will indicate the types of payments and Services you have elected to accept.

This Program Guide, together with your Merchant Processing Application and the Schedules thereto (the "Agreement"), contains the terms and conditions under which Processor and/or Bank and/or other third parties will provide services to you. We will not accept any alterations or strike-outs to the Program Guide and, if made, any such alterations or strike-outs shall not apply. Please read this booklet completely as it contains important information.

IMPORTANT INFORMATION ABOUT BANK'S RESPONSIBILITIES:

Discover Network Card Transactions, American Express Card Transactions and Other Services are not provided to you by Bank, but are provided by Processor and/or third parties. For PIN Debit transactions, such third parties may include sponsoring or acquiring banks that are not related to Bank ("PIN Debit Sponsor Banks").

The provisions of this Agreement regarding Discover Network Card Transactions, American Express Card Transactions and Other Services constitute an agreement solely between you and Processor and/or third parties. Bank is not a party to this Agreement insofar as it relates to Discover Network Card Transactions, American Express Card Transactions and Other Services, and Bank is not responsible, and shall have no liability, to you in any way with respect to Discover Network Card Transactions, and Other Services.

OTHER IMPORTANT INFORMATION:

Credit Cards present risks of loss and non-payment that are different than those with other payment systems. In deciding to accept Credit Cards, you should be aware that you are also accepting these risks.

Visa U.S.A., Inc. ("Visa"), MasterCard International, Incorporated ("MasterCard") and DFS Services LLC ("Discover Network") are payment card networks that electronically exchange Sales Drafts and Chargebacks for Credits and debits. (We will refer to Visa, MasterCard, and Discover Network as "Associations".) Sales Drafts are electronically transferred from banks (in the case of MasterCard and Visa transactions) or network acquirers (in the case of Discover Network transactions) that acquire them from merchants such as yourself (these banks and network acquirers are referred to as "Acquirers") through the appropriate Association, to the bank that issued the Cardholder's Credit Card (referred to as "Issuers"). The Issuers then bill their Cardholders for the transactions. The Associations charge the Acquirers interchange fees and assessments for submitting transactions into their systems. A substantial portion of the Discount or Transaction Fees that you pay will go toward these fees and assessments.

In order to speed up the payment process, the Issuer transfers the funds back through the Association to the Acquirer at approximately the same time that the Issuer receives the electronic Sales Drafts. Even though the payments under this system are made simultaneously, all payments made through the Associations are conditional and subject to reversals and adjustments.

Each Association has developed rules and regulations ("Association Rules") that govern their Acquirers and Issuers and the procedures, responsibilities and allocation of risk for this process. Merchants are also bound by Association Rules. The Association Rules and applicable banking laws give Cardholders and Issuers certain rights to dispute transactions, long after payment has been made to the merchant. These disputed transactions are referred to as Chargebacks.

We do not decide what transactions are charged back and we do not control the ultimate resolution of the Chargeback. While we can attempt to reverse a Chargeback to the Issuer, we can only do so if the Issuer agrees to accept it or the Association requires the Issuer to do so after a formal appeal process. Sometimes, your customer may be able to successfully charge back a Credit Card transaction even though you have provided your goods or services and are otherwise legally entitled to payment from your customer. While you may still be able to pursue claims directly against that customer, neither we nor the Issuer will be responsible for such transactions.

You will be responsible for all Chargebacks and adjustments associated with the transactions that you submit for processing.

Please refer to the Glossary for defined terms used in the Agreement.

A. CREDIT CARD OPERATING PROCEDURES

This part of the Program Guide (through Section 13) describes the procedures and methods for submitting Credit Card transactions for payment, obtaining authorizations, responding to Chargebacks and Media Retrieval requests, and other aspects of the operations of our services.

Processor is a full-service financial transaction processor dedicated, among other processing services, to facilitating the passage of your Sales Drafts back to the thousands of institutions who issue the MasterCard®, Visa®, and Discover® Network Cards carried by your customers, as well as to the independent Card Issuers of American Express®, Optima® and JCB®. The Operating Procedures contained in this part focus primarily on the MasterCard, Visa, and Discover Network Associations' operating rules and regulations, and seek to provide you with the principles for a sound Card program. They are designed to help you decrease your Chargeback liability and train your employees. (In the event we provide authorization, processing or settlement of transactions involving Cards other than MasterCard, Visa and Discover Network, you should also consult those independent Card Issuers' proprietary rules and regulations.)

The requirements set forth in these Operating Procedures will apply unless prohibited by law. You are responsible for following any additional or conflicting requirements imposed by your state or local jurisdiction.

I. MasterCard, Visa and Discover Network Acceptance

I.1. Card Descriptions. At the point of sale, the Card must be carefully examined to determine whether it is a legitimate and valid Card. The name of the Card (e.g., Visa, MasterCard or Discover Network) should appear in bold letters on the Card. For all MasterCard and Visa Cards and for some Discover Network Cards, the Card Issuer (e.g., XYZ Bank, etc.) should also appear in bold letters on the Card. The following is a description of the authorized Visa, MasterCard and Discover Network Card designs:

Visa: Visa Cards have the Visa symbol on the right-hand side of the Card. Above the Visa symbol is the 3-dimensional hologram of the Visa Dove design. The expiration date must be followed by one space and may contain the symbol "V." Visa Cards contain a 16-digit account number embossed across the middle of the Cards and the first digit is always a four (4). In addition, Visa Cards have the first four digits of the account number printed directly below the embossed number. You must always check these numbers carefully to ensure that they are the same. Beginning January 2006, Visa has a new Card design which differs significantly from the previous description. You are required to familiarize yourself with the new design by consulting the document entitled "Card Acceptance and Chargeback Management Guidelines for Visa Merchants" (VRM 08. 12.16). You may download the document free of charge from Visa's website at <http://www.visa.com/merchant> or order a hardcopy to be mailed to you for a nominal charge by telephoning Visa Fulfillment at 800-VISA-311. Both the old and new Visa Card designs will be circulating concurrently in the marketplace through the year 2010. Only Visa Cards fitting the old or new descriptions may be accepted.

Beginning May 2008, Visa issued a new card design for un-embossed Visa cards. Unlike embossed Visa cards with raised numbers, letters and symbols, the un-embossed card has a smooth, flat surface. Because of the un-embossed cards flat surface, it cannot be used for transactions that require a card imprint. Un-embossed cards can only be used by merchants who process with an electronic Point Of Sale Terminal. As a result, the bottom of the card bears the following note, "Electronic Use Only:"

MasterCard: MasterCard Cards are issued under the following names: MasterCard, EuroCard, Access, Union, Million and Diamond. The MasterCard symbol appears on the front or back of the Card. MasterCard and the Globe designs appear in a 3-dimensional hologram above the symbol. In addition, the words Classic, Preferred, Gold or Business may appear. MasterCard account numbers are sixteen (16) digits, and the first digit is always a five (5). The first four digits of the account must be printed directly below the embossed number. Only MasterCard Cards fitting this description may be accepted. Pursuant to an alliance with MasterCard, Diners Club Cards issued in the United States and Canada are being re-issued with a sixteen (16) digit account number the first two digits of which are now fifty-five (55) and with the MasterCard mark and hologram on the front of the Diners Club Card. These Diners Club Cards shall be accepted and processed in the same manner as MasterCard transactions. Diners Club International Cards that are issued outside the U.S. and Canada may be re-issued with the MasterCard mark on the back of the Card. These Diners Club Cards will have account numbers that are fourteen (14) digits, the first two digits of which are thirty-six (36). When these Diners Club Cards are used within the United States, Canada and other designated areas, they will be processed as MasterCard transactions. Beginning January 2006, MasterCard has a new Card design significantly different from the previous description. You are required to familiarize yourself with the new design by consulting a document "MasterCard Card Identification Features." You may download the document free of charge from MasterCard's website at <http://www.mastercardmerchant.com>. Both the old and new MasterCard Card designs will be circulating concurrently in the marketplace through the year 2010. Only MasterCard Cards fitting the old or new descriptions may be accepted.

Discover Network: All valid standard rectangular plastic Cards bearing the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark, as indicated below, include the following common characteristics and distinctive features:

- Card Numbers comprising at least 16 digits are displayed on the front of the Card.

- Card Numbers are clear and uniform in size and spacing within groupings.
- Expiration date, if present, appears in mm/yy format and indicates the last month in which the Card is valid.
- **Cards manufactured** before October 3, 2008, display the Discover Network three-dimensional hologram, bearing a distinct circular shape and images of a globe pierced by an arrow, water, and stars on a repetitive pattern background (the "Discover Network Hologram") on the front of the Card.
- The Discover Network Hologram reflects light and appears to move as the Card is rotated.
- All Cards display a magnetic stripe on the reverse side of the Card. **Cards manufactured on or after** October 3, 2008 feature a three-dimensional holographic design that is incorporated into the magnetic stripe. A series of distinct circular shapes will be visible across the length of the magnetic stripe, with blue glows between each shape. When the Card is rotated, the holographic design will reflect light and there will be apparent movement and color switching within the circular shape.
- Cards displaying either the Discover Network Hologram or the holographic magnetic stripe are valid after the effective dates indicated above, with the Discover Network Hologram eventually replaced by the holographic magnetic stripe for new Cards. Although both the Discover Network Hologram and the holographic magnetic stripe will each appear on Cards, valid Cards will not display both designs.
- Depending on the issuance date of the Card, the word "DISCOVER" or "DISCOVER NETWORK" will appear in ultraviolet ink on the front of the Card when it is held under an ultraviolet light.
- An underprint of "void" on the signature panel becomes visible if erasure of the signature is attempted.
- The Card Number or the portion of the Card Number displayed on the signature panel on the back of the Card should match the number displayed on the front of the Card and appear in reverse indent printing.
- **CID must be printed in a separate box to the right of the signature panel** on the back of the Card.
- An overprint on the signature panel reads "Discover Network." On some cards, the overprint may display the name of the Card (i.e., Discover, Discover 2GO®, Discover Platinum).
- A Discover Network Zip Indicator may appear on the back of a standard rectangular plastic Card indicating the Card can be used to conduct Contactless Card Transactions.

NOTE: Valid Cards may not always be rectangular in shape (e.g., Discover 2GO® Cards) and certain valid Contactless Payment Devices approved by us for use in accessing Card Accounts (e.g., radio frequency (RF) enabled Cards, key fobs, and Mobile Commerce Devices) and to conduct Contactless Card Transactions may not display the features described above.

Prepaid Gift Card Security Features

The features described below are found on Prepaid Gift Cards; however, the placement of these features may vary:

- Depending on the issue date of the Card, the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark will appear on the front or back of the Card.
- The embossed, stylized "D" appears on the front of the Card.
- **A valid expiration date is embossed on the front of the Card.**
- The front of the Card may display "Temporary Card," "Prepaid Card," "Gift Card," or "Electronic Use Only."

NOTE: Prepaid Gift Cards accepted at a limited, specific list of Merchants are not required to include the Discover Network Hologram and may, but are not required to, bear the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark on the Card.

You are required to remain familiar with Discover Card designs and may reference the document "Discover Network Security Features." You may download the document free of charge from Discover Network's website at <http://www.discovernetwork.com/fraudsecurity/fraud.html>.

I.2. Effective/Expiration Dates. At the point of sale, the Card should be carefully examined for the effective (valid from) (if present) and expiration (valid thru) dates which are located on the face of the Card. The sale date must fall on or between these dates. Do not accept a Card prior to the effective date or after the expiration date. If the Card has expired, you cannot accept it for a Card sale unless you have verified through your Authorization Center that the Card is in good standing, otherwise, you are subject to a Chargeback and could be debited for the transaction.

I.3. Valid Signature. Check the back of the Card. Make sure that the signature panel has not been disfigured or tampered with in any fashion (an altered signature panel may appear discolored, glued or painted, or show erasure marks on the surface). The signature on the back of the Card must compare favorably with the signature on the Sales Draft. The Sales Draft must be signed by the Card presenter in the presence of your authorized representative (unless a Card Not Present Sale) and in the same format as the signature panel on the Card; e.g., Harry E. Jones should not be signed H.E. Jones. The signature panels of Visa, MasterCard and Discover Network Cards now have a 3-digit number (CVV2/CVC2/CID) printed on the panel known as the Card Validation Code.

Visa, MasterCard and Discover Network: If the signature panel on the Card is blank, in addition to requesting an Authorization, you must do all the following:

- Review positive identification bearing the Cardholder's signature (such as a passport or driver's license that has not expired) to validate the Cardholder's identity.

- Indicate the positive identification, including any serial number and expiration date, on the transaction receipt.
- Require the Cardholder to sign the signature panel of the Card prior to completing the Transaction.

1.4. Users Other Than Cardholders. A Cardholder may not authorize another individual to use his/her Card for purchases. Be sure the signature on the Card matches with the one on the Sales Draft. Furthermore, any Card having two signatures on the back panel is invalid and any sale made with this Card can result in a Chargeback. For Cards bearing a photograph of the Cardholder, ensure that the Cardholder appears to be the person depicted in the picture which appears on the Card. If you have any questions, call the Voice Authorization Center and request to speak to a Code 10 operator.

1.5. Special Terms. If you limit refund/exchange terms or impose other specific conditions for Card sales, the words “No Exchange, No Refund,” etc. must be clearly printed (in 1/4” letters) on the Sales Draft near or above the Cardholder’s signature. The Cardholder’s copy, as well as your copy, must clearly show this information.

During a liquidation and/or closure of any of your outlets, locations and/or businesses, you must post signs clearly visible to customers stating that “All Sales Are Final,” and stamp the Sales Draft with a notice that “All Sales Are Final.”

Generally, do not give cash, check or in-store Credit refunds for Card sales. Visa allows for the following exclusions: a cash refund to the Cardholder for a small ticket transaction or a no signature required transaction, a cash refund, Credit, or other appropriate form of Credit to the recipient of a gift purchased as a Mail/Phone Order transaction, or a cash refund or in-store Credit for a Visa prepaid card transaction if the Cardholder states that the Visa prepaid card has been discarded. **NOTE:** A disclosure does not eliminate your liability for a Chargeback. Consumer protection laws and Association Rules frequently allow the Cardholder to dispute these items notwithstanding such disclosures.

1.6. Delayed Delivery or Deposit Balance. In a delayed delivery transaction where a Cardholder makes a deposit toward the full amount of the sale, you should execute two separate Sales Drafts (each completed fully as described in Section 3.1), the first for a deposit and the second for payment of the balance upon delivery of the merchandise or the performance of the services.

Visa: For Visa transactions, you must obtain an authorization if the cumulative total of both Sales Drafts exceeds the floor limit. You must obtain an authorization for each Sales Draft on each transaction date. You must assign the separate authorization numbers to each Sales Draft, respectively. You must note on such Sales Drafts the words “delayed delivery,” “deposit” or “balance,” as appropriate, and the authorization dates and approval codes.

MasterCard: For MasterCard transactions, you must obtain one authorization. You must note on both Sales Drafts the words “delayed delivery,” “deposit” or “balance,” as appropriate, and the authorization date and approval code.

Discover Network: For Discover Network transactions, you must label one Sales Draft “deposit” and the other “balance,” as appropriate. You must obtain the “deposit” authorization before submitting the sales data for the “deposit” or the “balance” to us. If delivery of the merchandise or service purchased will occur more than thirty (30) calendar days after the “deposit” authorization, you must obtain a subsequent authorization for the “balance.” In addition, you must complete Address Verification at the time of the “balance” authorization, and you must obtain proof of delivery upon delivery of the services/merchandise purchased. You may not submit sales data relating to the “balance” to us for processing until the merchandise/service purchased has been completely delivered.

NOTE: For MasterCard and Visa transactions, if delivery is more than twenty-five (25) days after the original transaction date and the initial authorization request (as opposed to the thirty (30) days in Discover Network transactions), you should reauthorize the unprocessed portion of the transaction prior to delivery. If the transaction is declined, contact the Cardholder and request another form of payment. For example: On January 1, a Cardholder orders \$2,200 worth of furniture and you receive an authorization for the full amount; however, only a \$200 deposit is processed. The above procedures are followed, with a \$2,000 balance remaining on the furniture; the \$2,000 transaction balance should be reauthorized.

1.7. Recurring Transaction and Preauthorized Order Regulations. If you process recurring transactions and charge a Cardholder’s account periodically for recurring goods or services (e.g., monthly insurance premiums, yearly subscriptions, annual membership fees, etc.), the Cardholder shall complete and deliver to you a Cardholder approval for such goods or services to be charged to his account. The approval must at least specify the Cardholder’s name, address, account number and expiration date, the transaction amounts, the timing or frequency of recurring charges and the duration of time for which the Cardholder’s permission is granted. For Discover Network transactions, the approval must also include the total amount of recurring charges to be billed to the Cardholder’s account, including taxes and tips and your Merchant Number.

If the recurring transaction is renewed, the Cardholder must complete and deliver to you a subsequent written request for the continuation of such goods or services to be charged to the Cardholder’s account. You may not complete a recurring transaction after receiving a cancellation notice from the Cardholder or Issuer or after a request for authorization has been denied.

If we or you have terminated your Merchant Agreement, you may not submit authorization requests or sales data for recurring transactions that are due after the termination date of your Merchant Agreement.

You must obtain an authorization for each transaction and write “Recurring Transaction” (or “P.O.” for MasterCard transactions) on the Sales Draft in lieu of the Cardholder’s

signature. A positive authorization response for one recurring transaction Card Sale is not a guarantee that any future recurring transaction authorization request will be approved or paid.

For all recurring transactions, you should submit the 3-digit Card Validation Code number with the first authorization request, but not subsequent authorization requests. Discover Network Association Rules specifically require that you follow this Card Validation Code procedure for Discover Network recurring transactions.

Also, for Discover Network recurring transactions, the Sales Draft must include a general description of the transaction, your merchant name and a toll-free customer service number that the Cardholder may call to obtain customer assistance from you or to cancel the written approval for the recurring transaction.

All Recurring Transactions or Preauthorized Orders may not include partial payments for goods or services purchased in a single transaction.

You may not impose a finance charge in connection with a Recurring Transaction or Preauthorized Order.

If you process recurring payment transactions, the Recurring Payment Indicator must be included in each authorization request. Penalties can be assessed by the Associations for failure to use the Recurring Payment Indicator.

1.8. Requirements. The following rules are requirements strictly enforced by Visa, MasterCard and Discover Network:

- You cannot establish minimum or maximum amounts as a condition for accepting a Card, except that for Discover Network transactions, you may limit the maximum amount a Discover Network Cardholder may spend if, and only if, you have not received a positive authorization response from the Card Issuer
- You cannot impose a surcharge or fee for accepting a Card.
- You cannot establish any special conditions for accepting a Card.
- You cannot establish procedures that discourage, favor or discriminate against the use of any particular Card. However, you may choose not to accept either U.S. issued Debit Cards or U.S. issued Credit Cards under the terms described in Section 1.9.
- You cannot require the Cardholder to supply any personal information (e.g., home or business phone number; home or business address; or driver’s license number) unless instructed by the Authorization Center. The exception to this is for a mail/telephone/Internet order or delivery-required transaction, and zip code for a card-present key-entered transaction in order to obtain an Address Verification (“AVS”). Any information that is supplied by the Cardholder must not be in plain view when mailed.
- Any tax required to be collected must be included in the total transaction amount and not collected in cash.
- You cannot submit any transaction representing the refinance or transfer of an existing Cardholder obligation deemed uncollectible.
- You cannot submit a transaction or sale that has been previously charged back.
- You must create a Sales or Credit Draft for each Card transaction and deliver at least one copy of the Sales or Credit Draft to the Cardholder.
- You cannot submit a transaction or sale to cover a dishonored check.
- If you accept Card checks, your Card check acceptance policy must treat the acceptance of checks from all payment card brands that you accept equally (e.g., if you accept MasterCard, Visa and Discover Network, your check acceptance policy must treat checks for all three payment card brands equally). You should handle these Card checks like any other personal check drawn upon a bank in the United States.
- Failure to comply with any of the Association Rules may result in fines or penalties.

1.9. Card Acceptance. If you have indicated either in the Application or by registering with us at least thirty (30) days in advance that, as between Non-PIN Debit Card transactions and Credit Card transactions, you will limit your acceptance to either (i) only accept Non-PIN Debit transactions; or (ii) only accept Credit Card transactions, then the following terms in this Section 1.9 will apply:

1.9.1. You will be authorized to refuse to accept for payment either Non-PIN Debit Cards or Credit Cards that are issued within the United States. You will, however, continue to be obligated to accept all foreign issued Credit or Debit Cards issued by MasterCard, Visa or Discover Network so long as you accept any type of MasterCard, Visa or Discover Network branded Card.

1.9.2. While many Debit Cards include markings indicating debit (such as “Visa Checkcard, Visa Buxx, Gift Card, DEBIT, or Mastermoney), many Debit Cards do not include any such markings and will not have such markings until January 2007. It will be your responsibility to determine at the point of sale whether a Card is of a type that you have indicated that you will accept. You agree to institute appropriate systems and controls to limit your acceptance to the Card types indicated. You may purchase a table of ranges of numbers currently associated with Debit Card transactions upon execution of confidentiality/non-disclosure agreements required by the Associations. You will be responsible for updating your systems to utilize such tables and to obtain updated tables.

1.9.3. To the extent that you inadvertently or unintentionally accept a transaction that you are not registered to accept, such transaction will downgrade and you will be charged the Non Qualified Rate or, if you are utilizing the Enhanced Recovery Reduced Discount option, you will be charged the Enhanced Recovery Reduced Rate on the volume of said transaction that Client was not registered to accept, in addition to the difference between the MasterCard/Visa/Discover Network Qualified Rate agreed to in Section 9 of the Service Fee Schedule and the actual interchange rate assessed to the downgraded transaction.

1.9.4. Based upon your choice to accept only the Card types indicated in the application, you must remove from your premises any existing signage indicating that you

accept all Visa, MasterCard or Discover Network Cards and use approved specific signage reflecting your policy of accepting only Non-PIN Debit or Credit Cards.

1.9.5. Even if you elect not to accept Non-PIN Debit Card transactions as provided above, you may still accept PIN Debit Card transactions if you have signed up for PIN Debit Card Services. The terms in Section 28 shall apply to such services.

1.10. Deposits of Principals. Owners, partners, officers and employees of your business establishment, and the guarantors who signed the Application, are prohibited from submitting Sales Drafts or Credit Drafts transacted on their own personal Cards, other than transactions arising from bona fide purchases of goods or services in the ordinary course of your business. Such use in violation of this Section 1.10 is deemed a cash advance, and cash advances are prohibited.

1.11. Merchants in the Lodging Industry.

1.11.1. Generally. There are additional rules and requirements that apply to merchants in the lodging industry for practices including, but not limited to, Guaranteed Reservations and charges for no shows, advance deposits, overbookings, and priority checkout. If you are a merchant in the lodging industry, **you must contact us for these additional rules and requirements. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

1.11.2. Lodging Service Programs. In the event you are a lodging merchant and wish to participate in Visa's and/or MasterCard's lodging services programs, please contact your sales representative or relationship manager for details and the appropriate MasterCard and Visa requirements.

1.12. Customer Activated Terminals and Self-Service Terminals. Prior to conducting Customer Activated Terminal ("CAT") transactions or Self-Service Terminal transactions **you must contact us for approval and further instructions, rules and requirements that apply to CAT and Self-Service Terminal transactions. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

1.13. Displays and Advertising. You must prominently display appropriate Visa, MasterCard, Discover Network and, if applicable, other Association decals and program marks at each of your locations, in catalogs, on websites and on other promotional materials as required by Association Rules. You may not indicate that Visa, MasterCard, Discover Network or any other Association endorses your goods or services.

Your right to use the program marks of either MasterCard, Visa or Discover Network terminates upon the earlier of (i) if and when your right to accept the Cards of the respective Association terminates (e.g., if your right to accept Discover Network Cards terminates, you are no longer permitted to use Discover Network program marks), (ii) delivery of notice by us or the respective Association to you of the termination of the right to use the program mark(s) for that Association, or (iii) termination of the license to use the program marks by the respective Association to us.

1.13.1. Discover Network Sublicense to Use Discover Network Program Marks. You are prohibited from using the Discover Network Program Marks, as defined below, other than as expressly authorized in writing by us. "Discover Network Program Marks" means the brands, emblems, trademarks and/or logos that identify Discover Network Cards. Additionally, you shall not use the Discover Network Program Marks other than as a part of the display of decals, signage, advertising and other forms depicting the Discover Network Program Marks that are provided to you by us or otherwise approved in advance in writing by us.

You may use the Discover Network Program Marks only to promote the services covered by the Discover Network Program Marks by using them on decals, indoor and outdoor signs, advertising materials and marketing materials; provided that all such uses by you must be approved in advance by us in writing.

You shall not use the Discover Network Program Marks in such a way that customers could believe that the products or services offered by you are sponsored or guaranteed by the owners of the Discover Network Program Marks. You recognize that you have no ownership rights in the Discover Network Program Marks. You shall not assign to any third party any of the rights to use the Program Marks.

1.14. Cash Payments by and Cash Disbursements to Cardholders. You must not accept any direct payments from Cardholders for charges of merchandise or services which have been included on a Sales Draft; it is the right of the Card Issuer to receive such payments. You may not make any cash disbursements or cash advances to a Cardholder as part of a Card transaction unless you are a financial institution with express authorization in writing in advance from Servicers.

1.15. Discover Network Cash Over Transactions. Cash Over transactions are not available for MasterCard or Visa transactions. You may issue Cash Over in connection with a Discover Network Card sale, provided that you comply with the provisions of this Program Guide including the following requirements:

- You must deliver to us a single authorization request for the aggregate total of the goods/services purchase amount and the Cash Over amount of the Card sale. You may not submit separate authorization requests for the purchase amount and the Cash Over amount.
- The Sales Draft must include both the purchase amount and the Cash Over amount, and you may not use separate Sales Drafts for the purchase amount and Cash Over amount.
- No minimum purchase is required for you to offer Cash Over to a Discover Network Cardholder, provided that some portion of the total Card sale must be attributable to the purchase of goods or services.
- The maximum amount of cash that you may issue as Cash Over is \$100.00.

(Cash Over may not be available in certain markets. Contact us for further information).

1.16. Telecommunication Transactions. Telecommunication Card Sales occur when a telephone service provider is paid directly using a Card for individual local or long-distance telephone calls. (**NOTE:** Pre-paid telephone service cards are not and do not give rise to Telecommunication Card Sales). **Prior to conducting Telecommunication transactions you must contact us for approval and further instructions, rules and requirements. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

2. Suspect Transactions

If the appearance of the Card being presented or the behavior of the person presenting the Card is suspicious in nature, you must immediately call the Voice Authorization Center and ask to speak to a Code 10 operator. Answer all their questions and follow their instructions. While not proof that a transaction is fraudulent, the following are some suggestions to assist you in preventing fraudulent transactions that could result in a Chargeback:

Ask yourself, does the Customer:

- appear nervous/agitated/hurried?
- appear to be making indiscriminate purchases (e.g., does not care how much an item costs, the size, etc.)?
- make purchases substantially greater than your usual customer (e.g., your average transaction is \$60, but this transaction is for \$360)?
- insist on taking the merchandise immediately (e.g., no matter how difficult it is to handle, is not interested in free delivery, alterations, etc.)?
- appear to be purchasing an unusual amount of expensive items?
- take an unusual amount of time to sign the Sales Draft, or look at the back of the Card as he signs?
- talk fast or carry on a conversation to distract you from checking the signature?
- take the Card from a pocket instead of a wallet?
- repeatedly come back, in a short amount of time, to make additional purchases?
- cause an unusual, sudden increase in the number and average sales transactions over a one- to three-day period?
- tell you he has been having some problems with his Card Issuer and request that you call a number (that he provides) for a "special" handling or authorization?

Does the Card:

- have characters the same size, height, style and all within alignment?
- appear to be re-embossed (the original numbers or letters may be detected on the back of the Card)?
- have a damaged hologram?
- have a Magnetic Stripe on the back on the Card?
- have an altered signature panel (e.g., appear discolored, glued or painted, or show erasure marks on the surface)?
- have "valid from" (effective) and "valid thru" (expiration) dates consistent with the sale date?

If you use an electronic terminal and swipe the Card, make sure the account number displayed on the terminal and/or the Sales Draft matches the number on the Card. If you cannot or do not verify the account number and accept the sale, you are subject to a Chargeback and could be debited for the amount of the transaction. **IF THE NUMBERS DO NOT MATCH, DO NOT ACCEPT THE CARD AS A FORM OF PAYMENT, EVEN THOUGH AN AUTHORIZATION CODE FOR THE MAGNETICALLY SWIPED CARD NUMBER MAY BE RECEIVED.**

Fraud-Prone Merchandise Tips:

- Jewelry, video, stereo, computer and camera equipment, shoes and men's clothing are typically fraud-prone because they can easily be resold.
- Be suspicious of high dollar amounts and transactions with more than one fraud-prone item, e.g., two VCRs, three gold chains, etc.

If you suspect fraud:

- Call the Voice Authorization Center and ask to speak to a Code 10 operator.
- If the terminal does not display the Card number, call the POS Help Desk for terminal assistance.

REMEMBER: AN AUTHORIZATION CODE ONLY INDICATES THE AVAILABILITY OF A CARDHOLDER'S CREDIT AT THE TIME OF THE TRANSACTION. IT DOES NOT WARRANT THAT THE PERSON PRESENTING THE CARD IS THE RIGHTFUL CARDHOLDER. IF PROPER PROCEDURES ARE NOT FOLLOWED AT THE TIME OF THE TRANSACTION, YOU ARE SUBJECT TO A CHARGEBACK AND YOUR ACCOUNT MAY BE DEBITED FOR THE AMOUNT OF THE TRANSACTION.

3. Completion of Sales and Credit Drafts

You must prepare a Sales Draft or Credit Draft, as applicable, for each Card transaction and provide a transaction receipt or copy of the Draft to the Cardholder at the time the Card transaction is completed.

3.1. Information Required. All of the following information must be contained on a single page document constituting a Sales Draft:

- Cardholder's account number must appear on the Credit or Sales Draft in the manner required by applicable law and Association Rules. **NOTE: The Sales or Credit Draft you provide to a Cardholder may not include the Cardholder's Card expiration date or any more than the last four digits of the Cardholder's Card number. Some states have similar requirements that also apply to the Sales or Credit Drafts you retain. MasterCard requires that Card expiration dates be excluded from the Sales**

or Credit Drafts your business retains. You are solely responsible to determine the Card account number truncation requirements and Card expiration date exclusion requirements for your state/ jurisdiction.

- Clear imprint of the Card. Whenever the term “imprint” is used it refers to the process of using a manual imprinting machine to make an impression of the Card on a Sales Draft; it does not include the printout from a printer attached to an electronic device. If you use an electronic device (e.g., authorization/draft capture terminal, cash register, POS Device, etc.) and swipe the Card to read and capture the Card information via the Magnetic Stripe, you do not have to imprint the Card. **HOWEVER, IF THE TERMINAL FAILS TO READ THE MAGNETIC STRIPE OR IF YOU ARE REQUIRED TO OBTAIN A VOICE AUTHORIZATION, THEN YOU MUST IMPRINT THE CARD. IN ADDITION, THE SALES DRAFT MUST HAVE THE CARDHOLDER'S SIGNATURE. FAILURE TO FOLLOW THESE PROCEDURES WILL PREVENT YOU FROM DEFENDING A TRANSACTION IN THE EVENT THAT IT IS CHARGED BACK UNDER A CLAIM THAT THE RIGHTFUL CARDHOLDER DID NOT AUTHORIZE THE PURCHASE. ENTERING INFORMATION INTO A TERMINAL MANUALLY WILL NOT PREVENT THIS TYPE OF CHARGEBACK. FOR MAIL, TELEPHONE, INTERNET AND OTHER CARD NOT PRESENT ORDERS SEE SECTION 3.2;**
- Cardholder's signature. However, eligible merchants participating in MasterCard's Quick Payment Service Program, Visa's Small Ticket, Visa/Discover Network No Signature Program, and/or certain Discover Network transactions (see note below) are not required to obtain the Cardholder's signature under certain conditions set forth by each program;
- Date of the transaction;
- Amount of the transaction (including the approved currency of the sale);
- Description of the goods and/or services involved in the transaction (if there are too many items, combine them into one description; e.g., “clothing” instead of “one pair of pants, one shirt”). Do not carry information onto a second Sales Draft;
- A valid authorization code; and
- Merchant's Doing Business As (“D/B/A”) name and location (city and state required) and Merchant Account Number.

When imprinting Sales Drafts, do not alter the Cardholder account number, circle or underline any information on the Sales Draft or alter a Sales Draft in any way after the transaction has been completed and signed. Stray marks and other alterations on a Sales Draft may render it electronically unscannable, unreadable or illegible. This may result in a Chargeback or Summary Adjustment to your account.

For Discover Network sales using a paper Sales Draft (as opposed to Electronic Draft Capture), the paper Sales Draft must also contain the initials of your representative or employee that conducted the transaction. For Discover Network Credits, the Credit Draft must contain the signature of your authorized representative or employee that conducted the transaction.

Discover Card Sales in an amount more than \$25.00 including sales taxes, tip, and/or Cash Over amount are not eligible for treatment as No Signature Required Card Sales and you may lose a Dispute of such a Card Sale if the Merchant fails to obtain the Cardholder's Signature on the Transaction Receipt.

Eligible merchants participating in Quick Payment Service and/ or Small Ticket are only required to provide the Cardholder with the completed Sales Draft when requested by the Cardholder.

NOTE: For Discover Network transactions, if you are a merchant operating under certain merchant category codes approved by Discover Network, you are not required to obtain the Cardholder's signature so long as the full track data is transmitted in the authorization request and the sale amount is \$25.00 or less.

3.2. Mail/Telephone/Internet (Ecommerce) Orders and Other Card Not Present Sales. You may only engage in mail/telephone/Internet orders provided they do not exceed the percentage of your total payment Card volume reflected on your application. Failure to adhere to this requirement may result in cancellation of your Agreement. Merchants conducting Internet transactions using MasterCard or Visa Cards must have special codes (an “Electronic Commerce Indicator”) added to their authorization and settlement records. Discover Network does not use an Electronic Commerce Indicator. Failure to register as a merchant conducting Internet transactions can result in fines imposed by the Associations.

Mail/Telephone/Internet and other Card Not Present transactions have a substantially higher risk of Chargeback. Since you will not have an imprinted or magnetically swiped transaction and you will not have the Cardholder's signature on the Sales Draft as you would in a face-to-face transaction, you will assume all risk associated with accepting a mail/telephone/Internet or other Card Not Present transaction. The following procedures, while they will not eliminate Chargebacks, are useful in reducing them and should be followed by you:

- Obtain the expiration date of Card.
- On the Sales Draft, clearly print the Cardholder's account number; effective and expiration dates; date of transaction; description of the goods and services; amount of the transaction (including shipping, handling, insurance, etc.); Cardholder's name, billing address and shipping address; authorization code; and merchant's name and address (city and state required).
- For mail orders, write “MO”; for telephone orders, write “TO” on the Cardholder's signature line.
- If feasible, obtain and keep a copy of the Cardholder's signature on file on a form authorizing you to submit telephone and mail order transactions.

- You should utilize the Address Verification Service for all Card Not Present Transactions (see note below). Address Verification is specifically required for all Discover Network Card Not Present Transactions, and **if you do not receive a positive match through AVS, you may not process the Discover Network Card Not Present Transaction. If you do not have AVS, contact us immediately.**
- You should obtain the 3-digit Card Validation Code number and include it with each authorization request. Discover Network Association Rules specifically require that you submit the Card Validation Code with the authorization request for all Discover Network Card Not Present Transactions.
- For telephone orders, it is recommended that written verification of the sale be requested from the Cardholder (sent by mail or fax).
- You may not submit a transaction for processing until after the merchandise has been shipped or the service has been provided to the customer. (The Associations will permit the immediate billing of merchandise manufactured to the customer's specifications [i.e., special/custom orders] provided the Cardholder has been advised of the billing details.)
- You should provide a copy of the Sales Draft to the Cardholder at the time of delivery. You must also obtain proof of delivery of the goods or services to the address designated by the Cardholder (i.e., by getting a signature of the Cardholder or person designated by the Cardholder through the delivery carrier). If the Cardholder visits one of your locations to receive the goods or services purchased, obtain an imprint of the card and the Cardholder's signature.
- Notify the Cardholder of delivery time frames and special handling and/or cancellation policies. Merchandise shipping dates must be within seven (7) days of the date authorization was obtained. If, after the order has been taken, additional delays will be incurred (e.g., out of stock), notify the Cardholder and reauthorize the transaction.
- You may not require a Cardholder to complete a postcard or other document that displays the Cardholder's account number in clear view when mailed.
- If you accept orders via the Internet, your web site must include the following information in a prominent manner:
 - Complete description of the goods or services offered;
 - Merchandise return and refund policy;
 - Customer service contact, including email address and/or telephone number;
 - Transaction currency (U.S. dollars, unless permission is otherwise received from Servicers);
 - Any applicable export or legal restrictions;
 - Delivery policy;
 - Consumer data privacy policy;
 - A description of the transaction security used on your website; and
 - The sale or disclosure of databases containing Cardholder account numbers, personal information, or other Card transaction information to third parties is prohibited.

You may not accept Card Account Numbers through Electronic Mail over the Internet. **NOTE:** Address Verification Service (“AVS”) does not guarantee against Chargebacks, but used properly, it assists you in reducing the risk of fraud by confirming whether certain elements of the billing address provided by your customer match the billing address maintained by the Issuer. AVS also may help you avoid incurring additional interchange expenses. AVS is a separate process from obtaining an Authorization and will provide a separate response. A transaction may not match addresses when submitted for AVS and still receive an Authorization. It is your responsibility to monitor the AVS responses and use the information provided to avoid high-risk transactions.

3.2.1. Discover Network Protocol for Internet Transactions. Each Internet Discover Network Card transaction accepted by you and submitted to us shall comply with Discover Network standards, including, without limitation, Discover Network standards governing the formatting, transmission and encryption of data, referred to as the “designated protocol.” You shall accept only those Internet Discover Network Card transactions that are encrypted in accordance with the designated protocol. As of the date of these Operating Procedures, the designated protocol for the encryption of data is Secure Socket Layer (SSL). We may, at our discretion, withhold Settlement until security standards can be verified. However, the designated protocol, including any specifications with respect to data encryption, may change at any time upon thirty (30) days advance written notice. You shall not accept any Internet Discover Network Card transaction unless the transaction is sent by means of a browser which supports the designated protocol.

3.3. Customer Service Telephone Numbers for Card types which are funded by individual non-bank Associations include:

American Express/Optima	1-800-528-5200
JCB, International	1-800-366-4522
Voyager	1-800-987-6591

4. Data Security

THE FOLLOWING IS IMPORTANT INFORMATION REGARDING THE PROTECTION OF CARDHOLDER DATA. PLEASE REVIEW CAREFULLY AS FAILURE TO COMPLY CAN RESULT IN SUBSTANTIAL FINES AND LIABILITIES FOR UNAUTHORIZED DISCLOSURE AND TERMINATION OF THIS AGREEMENT.

4.1. Payment Card Industry Data Security Standards (PCI DSS). Visa, MasterCard, American Express, Discover Network and JCB aligned data security requirements to create a global standard for the protection of Cardholder data. The resulting Payment Card Industry Data Security Standards (PCI DSS) defines the requirements with which all entities that store, process, or transmit payment card data must comply. PCI DSS

is the name used to identify those common data security requirements. The Cardholder Information Security Program (CISP) is Visa USA's data security program, the Site Data Protection (SDP) program is MasterCard's data security program and Discover Network Information Security and Compliance (DISC) is Discover Network's data security program, each based on the PCI DSS and industry aligned validation requirements. PCI DSS compliance validation is focused on any system(s) or system component(s) where Cardholder data is retained, stored, or transmitted, including:

- All external connections into your network (i.e., employee remote access, third party access for processing, and maintenance);
- All connections to and from the authorization and settlement environment (i.e., connections for employee access or for devices such as firewalls, and routers); and
- Any data repository outside of the authorization and settlement environment.

The Associations or we may impose fines or penalties, or restrict you from accepting Cards if it is determined that you are not compliant with the applicable data security requirements. We may in our sole discretion, suspend or terminate Card processing Services under your Merchant Agreement for any actual or suspected data security compromise.

Detailed information about PCI Compliance can be found at the PCI DSS Council's website: www.pcisecuritystandards.org

Detailed information about Visa's CISP program can be found at Visa's CISP website: www.visa.com/cisp.

Detailed information about MasterCard's SDP program can be found at the MasterCard SDP website: <https://sdp.mastercardintl.com>.

Detailed information about DISC can be found at Discover Network's DISC website: <http://www.discovernetwork.com/fraudsecurity/disc.html>.

4.2. You must comply with the data security requirements shown below:

- You must install and maintain a secure network firewall to protect data across public networks.
- You must encrypt stored data and data sent across networks.
- You must use and regularly update anti-virus software and keep security patches up-to-date.
- You must restrict access to data by business "need to know," assign a unique ID to each person with computer access to data and track access to data by unique ID.
- Don't use vendor-supplied defaults for system passwords and other security parameters.
- You must regularly test security systems and processes.
- You must maintain a policy that addresses information security for employees and contractors.
- You must restrict physical access to Cardholder information.
- You may not transmit Cardholder account numbers to Cardholders for Internet transactions.
- You cannot store or retain Card Validation Codes (three-digit values printed in the signature panel of most Cards, and a four-digit code printed on the front of an American Express Card).
- You cannot store or retain Magnetic Stripe data, PIN data or AVS data. Only Cardholder account number, Cardholder Name and Cardholder expiration date can be retained subsequent to transaction authorization.
- You must destroy or purge all Media containing obsolete transaction data with Cardholder information.
- You must keep all systems and Media containing Card account, Cardholder, or transaction information (whether physical or electronic) in a secure manner so as to prevent access by, or disclosure to any unauthorized party.
- For Internet transactions, copies of the transaction records may be delivered to Cardholders in either electronic or paper format.

4.3. You may be subject to ongoing validation of your compliance with PCI DSS standards. Furthermore, we retain the right to conduct an audit at your expense, performed by us or a third party designated by us to verify your compliance, or that of your agents or third party providers, with security procedures and these Operating Procedures.

4.4. In the event that transaction data suspected of having been accessed or retrieved by any unauthorized person or entity, contact us immediately, and in no event more than 24 hours after becoming aware of such activity.

4.5. You must, at your own expense (i) perform or cause to be performed an independent investigation (including a forensics analysis) of any data security breach of Card or transaction data, (ii) perform or cause to be performed any remedial actions recommended by any such investigation, and (iii) cooperate with us in the investigation and resolution of any security breach.

4.6. **Required Information for Discover Network Security Breaches.** For security breaches involving Discover Network transactions and/or track data, you must provide us and/or Discover Network with the following information: (i) the date of breach; (ii) details concerning the data compromised (e.g., account numbers and expiration dates, Cardholder names and addresses, etc.); (iii) the method of such breach; (iv) your security personnel contacts; (v) the name of any person (including law enforcement) assisting you with your investigation of such breach; and (vi) any other information which we reasonably request from you concerning such breach, including forensics reports. You shall provide such information as soon as practicable, and the items listed in (i)-(v) shall be provided to us in any event within 48 hours of your initial notification to us of the breach. Discover Network reserves the right to conduct on-site visits to ensure compliance with its requirements.

4.7. **Third Parties.** The data security standards set forth above also apply to any agent or third party provider that you may use to store, process or transmit Cardholder data. In

addition, such agents or third party providers must be registered with the applicable Association. Therefore, you must:

- Notify us in writing of any agent or third party processor that engages in, or proposes to engage in, the storing, processing or transmitting of Cardholder data on your behalf, regardless of the manner or duration of such activities.
- Ensure that all such agents or third party processors are (i) registered with the applicable payment card brands; and (ii) comply with all applicable data security standards, including, without limitation, the PCI DSS.

You are solely responsible for the compliance of any and all third parties that are given access by you, to Cardholder data, and for any third party software that you may use.

5. Authorizations

Each authorization request you submit to us must fully comply with the applicable provisions of this Agreement. Submission of an authorization request that does not fully comply may result in assessment of additional fees to you, a declined authorization response or a Chargeback to you.

You must obtain an Authorization Approval Code from us (or as provided in Section 5.4) for all transactions. A positive authorization response for MasterCard remains valid for seven (7) days for electronic processed transactions. For true paper merchants for MasterCard and Visa transactions the Authorization remains valid for thirty (30) days. A positive authorization response for Discover Network transactions remains valid for ninety (90) days. Failure to settle within these timeframes, may result in a late presentment Chargeback.

Failure to obtain an Authorization Approval Code for a sales transaction may result in a Chargeback and/or the termination of your Agreement. Authorization Approval Codes can be obtained through your POS Terminal or a Voice Response Unit ("VRU"). Any fees related to authorizations will be charged for a request for an Authorization Approval Code, whether or not the transaction is approved.

Do not attempt to obtain an Authorization Approval Code provided by someone other than us except as described in Section 5.4. If a Cardholder or another service provider provides you with either an authorization number or with a telephone number for obtaining authorizations, the Authorization Approval Code you receive may not be valid. Even if the transaction is initially processed and funded, it may be charged back at a later date. Also, if you receive a purported Authorization Approval Code from someone other than us, we will not have the supporting records and will be unable to verify that you received the authorization if that is later questioned in a Chargeback.

An Authorization Approval Code only indicates the availability of credit on an account at the time the authorization is requested. It does not warrant that the person presenting the Card is the rightful Cardholder, nor is it a promise or guarantee that you will not be subject to a Chargeback.

If you obtain Address Verification, you must review the AVS response separately from the authorization response and make your own decision about whether to accept the transaction. A transaction can receive an Authorization Approval Code from the Card Issuer even if AVS is unavailable or reflects that the address provided to you does not match the billing address on file at the Issuer. If the authorized Cardholder disputes such a transaction, you will be responsible for the resulting Chargeback.

If you receive a Referral response to an attempted authorization, you may not submit the transaction without calling for and receiving a voice authorization. After receiving a Referral response you may not attempt another authorization on the same Card through your POS Terminal.

If you fail to obtain an Authorization Approval Code or if you submit a Card transaction after receiving a decline (even if a subsequent authorization attempt results in an Authorization Approval Code), your transaction may result in a Chargeback and may be assessed fines or fees by the Associations for which you will be responsible. These currently range from \$25 to \$150 per transaction. To avoid these costs and related Chargebacks, always obtain an Authorization Approval Code directly from your terminal before submitting a transaction for settlement.

For Cards other than MasterCard, Visa and Discover Network (e.g., American Express, JCB, etc.) or for check acceptance, you must follow the procedures for authorization and acceptance for each.

You may not attempt to obtain multiple authorizations for a single transaction. If a sale is declined, do not take alternative measures with the same Card to obtain an approval of the sale from other authorization sources. Instead, request another form of payment. If you accept and process a transaction that was declined, or attempt multi-transactions and/or multi-authorizations, you are subject to a Chargeback, Association fines and/or cancellation of your Agreement.

5.1. Card Not Present Transactions. You must obtain the 3-digit Card Validation Code (CVV2, CVC2, CID) and submit this Code with all authorization requests with respect to transactions where the Card is not present (e.g., telephone, mail or internet sales). However, for recurring transaction authorizations you should submit the Card Validation Code with the first authorization request only, and not with subsequent recurring transaction authorization requests. (See Section 1.7).

NOTE: For each Card Not Present Discover Network transaction, you must also verify the name and billing address of the Discover Network Cardholder using the Address Verification System (AVS), and if you do not receive a positive match, do not process the Discover Network Card Not Present transaction.

5.2. Authorization via Telephone (Other Than Terminal/Electronic Device Users).

- Call your designated voice authorization toll free number and enter the authorization information into the VRU using a touch tone phone or hold for an authorization representative.
- If advised to pick up a Card, use reasonable and peaceful means to do so, and do not take any action that will alarm or embarrass the Card presenter. You will bear all responsibility for claims, liabilities, costs and expenses as a result of any action by you, your employees, vendors or agents, that attempt to retain a Card without the Issuer's direct request or failure to use reasonable, lawful means in retaining or attempting to retain the Card. Forward the Card to: Attn: Rewards Department, P.O. Box 5019, Hagerstown, MD 21740. You may be paid a reward for the return of the Card.
- On occasion, the Authorization Center will ask you to obtain identification from the Cardholder before issuing an approval code. If you are instructed to do so, clearly write the appropriate identification source and numbers in the space provided on the Sales Draft unless otherwise prohibited by law.
- If the sale is declined, please remember that our operators are only relaying a message from the Card Issuer. The fact that a sale has been declined should not be interpreted as a reflection of the Cardholder's creditworthiness. The Cardholder should be instructed to call the Card Issuer.

5.3. Authorization via Electronic Devices.

- If you use an electronic terminal to obtain an Authorization Approval Code, all sales should be authorized through this equipment. Authorizations through other methods will result in additional charges to you.
- If your terminal malfunctions, refer to your Quick Reference Guide, if necessary, or call the POS Help Desk. The problem will either be corrected promptly or may require terminal programming or replacement. During the period in which your terminal is not functioning, remember to check it periodically since most terminal problems are temporary in nature and are quickly corrected.
- If a terminal is moved or if wires are disconnected, causing malfunction, call the POS Help Desk immediately and follow their instructions. You may be responsible for any service charges incurred for reactivation of the terminal.
- Until the terminal becomes operable, you must call your designated voice authorization toll free number and enter authorization information into the VRU using a touchtone phone. During this time, each transaction must be imprinted using a manual Imprinter machine. Failure to obtain an Authorization Approval Code and to imprint these transactions could result in a Chargeback to your account.

5.4. Third Party Authorization System. If you have contracted with another authorization network to obtain Credit Card authorization, i.e., your terminal can Split Dial, liability resulting from discrepancies with that network must be resolved between you and that network. We will not research Chargebacks resulting from Authorization Approval Codes obtained from another authorization service organization. Such Chargebacks will be passed through to you for resolution. If an authorization provided by a third party authorization system is challenged in a Chargeback, you must obtain proof (e.g., third party authorization logs) from the authorization source and submit it to us within the time frame specified on the Chargeback documentation.

IF YOU CONTRACTED TO USE ONE OF OUR AUTHORIZATION SERVICES, DO NOT USE ANOTHER THIRD PARTY SYSTEM WITHOUT NOTIFYING CUSTOMER SERVICE. OTHERWISE, WE WILL BE UNABLE TO SUCCESSFULLY RESEARCH AND DEFEND ANY AUTHORIZATION RELATED CHARGEBACKS ON YOUR BEHALF THIS DELAY WILL SIGNIFICANTLY DECREASE YOUR TIME TO RESEARCH AND PROVIDE PROOF OF AUTHORIZATION, THUS REDUCING YOUR OPPORTUNITY TO REVERSE A CHARGEBACK.

If you utilize another authorization network, you will be responsible for the downgrade of any transactions to a higher cost interchange that result from a mismatch of information to our systems and those of third party authorization networks (see Section 18.1).

If you use a third party authorization network, you must also comply with Section 4.7.

Call the following for other Card types:

American Express/Optima	1-800-528-2121
JCB, International	1-800-522-9345
Voyager	1-800-987-6589

Available 24 hours/day; 7 days/week.

All approved sales authorized in this manner must be entered manually as "post authorization" transactions into the terminal, once the terminal becomes operational. All Credit transactions must be entered into the terminal for data capture. You may be subject to a Chargeback if you receive a Referral and subsequently receive an approval. To reduce the risk of such a Chargeback, the Card should be imprinted using a manual Imprinter machine. (For specific procedures on Electronic Data Capture, refer to the Terminal Operating Instructions/Users Guide.) If the terminal malfunctions for more than twenty-four (24) hours, contact Customer Service for further instructions on processing your transactions.

5.5. Automated Dispensing Machines. Records must be produced for all transactions whose origin and data capture use automated dispensing machines or Limited Amount Terminals. Records should include the Cardholder account number, merchant's name, terminal location, transaction date and amount.

5.6. Pre-Authorization for T&E (Travel & Entertainment) and Restaurant Merchants. If you are a business engaged in providing travel and/or entertainment services (e.g., car rentals, hotels, motels, etc.) or a restaurant business, and engage in the practice of "pre-authorization" you must comply with the following general procedures:

- A hotel, motel, or car rental merchant may obtain an estimated Visa, MasterCard or Discover Network authorization at the time of check-in.
- Restaurants must not add an estimated tip amount to the authorization request beyond the value of the goods provided, or services rendered, plus any applicable tax.
- You must notify the Cardholder of the dollar amount you intend to "Pre-Authorize."
- If the customer decides to use another form of payment (e.g., cash, check, etc.) you must promptly call the Voice Authorization Response Unit to delete the authorization hold. Provide the Cardholder's account number, original dollar amount and date of the transaction, and the authorization code. If a new transaction takes place, a new imprinted and signed Sales Draft for the exact amount and a new authorization code for that amount must be obtained.
- **VEHICLE RENTAL PROVIDERS MAY NOT INCLUDE POTENTIAL VEHICLE DAMAGE OR INSURANCE DEDUCTIBLES IN ANY PREAUTHORIZATIONS.**
- If you receive a decline on a transaction, you must wait twenty-four (24) hours before attempting to reauthorize. If you reauthorize prior to this time frame and receive an approval, you may be subject to a Chargeback and a fine imposed by the Associations.
- Hotels, motels, and car rental merchants are allowed up to a 15% variance above the amount authorized. If the final amount charged to the Cardholder exceeds the original estimate by more than 15% above the preauthorization, you must authorize any additional amounts, and all incremental authorization codes must be written in the authorization area along with the date of authorization and the amount authorized.
- Restaurants are allowed up to a 20% (instead of 15%) variance above the amount authorized. If the final amount exceeds the amount "authorized" by more than 20%, you must authorize the additional amount. Estimating the Authorization amount to include a tip is prohibited. The authorization request should include only the amount associated with the bill presented to the consumer.
- You should obtain an authorization for the initial estimated charges and then monitor the charges to ensure that the actual charges made do not exceed the estimated charges. If the actual charges exceed the amount of the initial estimated authorization (and any subsequent estimated authorizations), then you must secure a positive authorization for the additional amount. **NOTE:** Subsequent authorizations should only be for the additional amount of total charges and not include amounts already authorized.
- The estimated amount of any pre-authorization for lodging accommodations must be based on (i) the intended length of stay; (ii) the room rate; (iii) applicable taxes and service charges; and (iv) other miscellaneous charges as dictated by experience.
- If an authorization request is declined, no charges occurring after that date will be accepted for that Cardholder.
- You do not need to obtain a final authorization if the total sum of charges (the final amount) does not exceed 120% of the previously authorized charges. You must record the dates, authorized amounts, and their respective Authorization Approval Codes on the Sales Draft(s).

5.7. Discover Network Procedure for Request for Cancellation of Authorization. If a Discover Network Card sale is cancelled or the amount of the transaction changes following your receipt of authorization for the sale, you must call your Authorization Center directly and request a cancellation of the authorization. An authorization may be cancelled at any time within fifteen (15) days of your receipt of the authorization, but must be cancelled before the sales data relating to the transaction is submitted to us, after which the authorization cannot be changed. For an authorization cancellation, you must provide us with the following information, in this order:

- The Discover Network Merchant Number used in the authorization;
- The Card number;
- The original amount of the authorization being cancelled;
- The new amount of the total transaction (if any);
- The original authorization code for the authorization being cancelled;
- The expiration date of the Card; and
- A brief reason for the authorization cancellation.

5.8. Partial Authorization and Authorization Reversal. Partial authorization provides an alternative to a declined transaction by permitting a Card Issuer to return an authorization approval for a partial amount, an amount less than the transaction amount requested by the merchant when the available card balance is not sufficient to approve the transaction in full. The Cardholder is able to use up the remaining funds on the card and select another form of payment (i.e., another payment card, cash, check) for the remaining balance of the transaction. If you support partial authorizations, a partial authorization indicator must be included in each authorization request.

An authorization reversal must be submitted if the authorization is no longer needed, a partial amount of the total authorized is submitted for the settled transaction, or the Cardholder elects not to complete the purchase. The transaction sent for settlement must be no more than the amount approved in the partial authorization response. In the event that you wish to support the partial authorization functionality, you must contact us for additional rules and requirements.

6. Submission/Deposit of Sales and Credit Drafts

6.1. Submission of Sales for Merchants Other Than Your Business. You may present for payment only valid charges that arise from a transaction between a bona fide Cardholder and your establishment. If you deposit or attempt to deposit transactions that arise from sales between Cardholders and a different business than the one approved by us in our Agreement with you, then the transaction may be charged back, we may suspend or debit funds associated with all such transactions, and we may immediately terminate your account and the Agreement.

6.1.1. Factoring. For Discover Network transactions, Factoring is considered merchant fraud and strictly prohibited, unless you are registered with us as a Payment Service Provider. Factoring is the submission of authorization requests and/or Sales Drafts by a merchant for Card transactions transacted by another business. If you submit Sales Drafts on behalf of another Person, you will suffer any losses associated with the disputes of the Discover Network Card Sales. Also if any fraud is involved, you could face criminal prosecution.

6.2. Timeliness. In order to qualify for the lowest interchange Discount Rate, all Sales and Credit Drafts must be properly completed and submitted daily. If you have not received payment for submitted Sales Drafts after one (1) week from your normal payment date, contact Customer Service. **Late Submission of Sales or Credit Drafts may result in increased interchange rates or fees or in a Chargeback to you.**

6.3. Mail/Branch Deposit Procedures. Complete the appropriate summary form designated for your use. Imprint the completed summary with your Merchant Identification Card, if applicable, and sign it. Please do not staple or clip Sales Drafts together or to summary forms. This will distort the Cardholder's account number and may result in a Summary Adjustment or Chargeback to you. Mail your deposits daily to us, or, if your Agreement allows deposit at a local bank branch, you must make daily deposits.

Do not send us the merchant copies (which are for your records); submit only the Bank hard copies of the transactions. If merchant copies are submitted, they will be returned to you unprocessed.

6.4. Electronic Merchants: Daily Batching Requirements & Media Submission. Batches must be transmitted to us by the time indicated on the Additional Important Information page in Part IV, Section A.2 of the Agreement in order to be processed on the date of transmission. Additionally, if you deposit via magnetic tape, electronic transmissions, or Electronic Data Capture terminal, and have contracted to send the actual Sales and Credit Drafts to us for microfilming and retrieval, the Sales and Credit Drafts (Media) must be batched daily by register/terminal following the procedures below. Failure to do so may result in a processing fee and/or a Chargeback due to our inability to retrieve the Media as requested by the Card Issuer.

- A register/terminal Batch header form must be filled out for each Batch of Media.
- The Batch header must be imprinted with your Merchant Identification Card, and all areas completed properly (i.e., Batch number, date, amount, number of items, etc.).
- The Batch/deposit total must match to the settled/reconciled amount displayed on the terminal upon closing the Batch.
- Any discrepancies between the actual Media and electronic display must be reconciled and corrected before storing the Media (for merchants who contract to hold their Media) or before sending us the copies of the deposit. Otherwise, transactions may appear to be a new Submission and may be manually keyed (causing duplicate billing to Cardholders and resulting in Chargebacks) or we may not be able to retrieve an item when requested by the Card Issuer.
- It is your responsibility to ensure that the actual Media is batched correctly and, depending on the terms of your Agreement, either stored at your location or sent to Processor. (In some cases, the actual Media is sent daily to your head office, and forwarded to Processor for microfilming.)
- **You must confirm that your equipment has transmitted its Batches to us at least once daily.** Even if your equipment is designed or programmed to close and submit Batches without your intervention, it is ultimately your responsibility to confirm that the Batches have been transmitted to us for processing.

7. Settlement

Your funds for MasterCard/Visa/Discover Network transactions will be processed and transferred to your financial institution within two (2) Business Days from the time a Batch is received by Processor if your financial institution is the Bank. If your financial institution is not the Bank, your MasterCard/Visa/Discover Network transactions will be processed via the Federal Reserve within two (2) Business Days from the time a Batch is received by Processor. The Federal Reserve will transfer such amounts to your financial institution.

8. Refunds/Exchanges (Credits)

8.1. Refunds

- You must promptly complete and submit a Credit Draft for the total amount of the refund, which must include the following information:
 - The account number and expiration date;
 - The Cardholder's name;
 - Your name, city, state and Merchant Account Number;
 - A description of the goods or services;
 - The transaction date of the Credit;
 - The total amount of the Credit; and
 - For Discover Network transactions, the approved currency used and the signature of your authorized representative or employee.
- Full refunds must be for the exact dollar amount of the original transaction including tax, handling charges, etc. (You must identify the shipping and handling charges incurred.) The refund amount may not be for more than the original Credit Card sale amount.
- All dollar amounts and other handwritten information must be clearly written. (Stray marks on the Credit Draft will render it unscannable/illegible.)
- Do not circle or underline any information on the Credit Draft.

- Imprint the draft with the same Card used by the Cardholder to make the original purchase. You should not credit an account that differs from the account used for the original transaction.
- Never give cash, check or in-store Credit refunds for Credit Card sales.
- Have the Cardholder sign the Credit Draft, give the Cardholder the appropriate copy, and deposit the Credit Draft immediately. Failure to process a Credit within five (5) calendar days may result in a Chargeback.
- Authorization is not required for refunds.
- You cannot intentionally submit a sale and an offsetting Credit at a later date solely for the purpose of debiting and crediting your own or a customer's account.
- You are responsible for paying all refunds submitted to us on your merchant account. We assume no responsibility for verifying any Credits or refunds.
- **YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING REFUNDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.**

8.2. Exchanges.

- No additional paperwork is necessary for an even exchange. Just follow your standard company policy.
- For an uneven exchange, complete a Credit Draft (follow the procedures outlined in Section 8.1) for the total amount of only the merchandise returned. The Cardholder's account will be credited for that amount. Then, complete a new Sales Draft for the total amount of any new merchandise purchased.

9. Retention of Records For Retrievals and Chargebacks

9.1. Retain Legible Copies.

For MasterCard and Visa: You must securely retain legible copies of all Sales and Credit Drafts or any other transaction records for a period of eighteen (18) months from the date of each transaction and a period of five (5) years for the retention of healthcare Sales and Credit Drafts.

For Discover Network: You must securely retain legible copies of all Sales and Credit Drafts or any other transaction records for the longer of (i) 365 days or (ii) the resolution of any pending or threatened disputes, claims, disagreements or litigation involving the Card transaction. You must also keep microfilm or other copies of Sales Drafts for no less than three (3) years from the date of the Discover Network transaction.

9.2. Provide Sales and Credit Drafts. You must provide all Sales and Credit Drafts or other transaction records requested by us within the shortest time limits established by Association Rules. You are responsible for any deficiencies in Card transaction data transmitted or otherwise delivered to us.

9.3. Ensure Proper Retrieval Fulfillment. To ensure proper Retrieval fulfillments and/or Chargeback processing, Sales and Credit Drafts must contain the full sixteen (16) digit account number and expiration date. Failure to retain this information could result in a future Chargeback to your account.

10. Chargebacks, Retrievals and Other Debits

10.1. Chargebacks.

10.1.1. Generally. Both the Cardholder and the Card Issuer have the right to question or dispute a transaction. If such questions or disputes are not resolved, a Chargeback may occur. A Chargeback is a Card transaction that is returned to us by the Card Issuer. As a result, we will debit your Settlement Account or settlement funds for the amount of the Chargeback. It is strongly recommended that, whenever possible, you contact the Cardholder directly to resolve a disputed transaction or Chargeback, unless the dispute involves a Discover Network Cardholder, in which case Discover Network rules and regulations expressly prohibit you from contacting the Discover Network Cardholder regarding the dispute. You are responsible for all Chargebacks and related costs arising from your transactions.

10.1.2. Transaction Documentation Requests. In some cases, before a Chargeback is initiated, the Card Issuer will request a copy of the Sales Draft, via a request for transaction documentation. We will forward the request to you. **You must respond to the request within the time frame and manner set forth in the request. We will then forward your response to the Card Issuer. If you fail to timely respond, we will so notify the Card Issuer and a Chargeback may result.** Upon receipt of a transaction documentation request, immediately retrieve the requested Sales Draft(s) using the following guidelines:

- Make a legible copy, centered on 8½" x 11" paper (only one (1) Sales Draft per page).
- Write the 'case number' from the request for transaction documentation on each copy/page.
- If applicable, make copies of a hotel folio, car rental agreement, mail/phone/ Internet order form, or other form of receipt.
- If a Credit transaction has been processed, a copy of the Credit Draft is also required.
- Letters are not acceptable substitutes for Sales Drafts.
- Fax or mail legible copies of the Sales Draft(s) to the fax number or mail address provided on the request form.
- If you fax your response, please set your fax machine to print your fax number and name on the documents that you send. We can use this information to help determine where the documentation received originated from should additional research be required.

- Additionally, please set the scan resolution on your fax machine to the highest setting. The higher resolution setting improves the clarity of characters and graphics on the Sales Drafts transmitted and helps reduce the number of illegible fulfillments and/or Chargebacks.

If we do not receive a clear, legible and complete copy of the transaction documentation within the timeframe specified on the request, you may be subject to a Chargeback for “non-receipt” for which there is no recourse.

A handling fee may be charged by the Issuer and will be debited from your Settlement Account or settlement funds if, a transaction documentation request results from a difference in the following information on the Sales Draft and the transmitted record: merchant name or an incorrect city, state, foreign country and/or transaction date.

10.1.3. Chargeback Process. Regardless of whether you respond to a transaction documentation request, a Chargeback may be debited to your Settlement Account for numerous reasons (see below). If the Card Issuer submits a Chargeback, we will send you a Chargeback notification, which may also include a request for transaction documentation. **Due to the short time requirements imposed by MasterCard, Visa and Discover Network, it is extremely important that you respond to a Chargeback notification and transaction documentation request within the time frame set forth in the notification.** Do not process a Credit transaction once a Chargeback is received; the Card Issuer will Credit the Cardholder’s account. If the information you provide is both timely and, in our sole discretion, sufficient to warrant a representation of the transaction and/or reversal of the Chargeback, we will do so on your behalf. However, representation and/or reversal is ultimately contingent upon the Card Issuer and/or Cardholder accepting the transaction under applicable Association guidelines. Representation or reversal is not a guarantee that the Chargeback has been resolved in your favor.

For Visa Chargebacks: If we reverse the Chargeback and represent the transaction to the Card Issuer, the Card Issuer, at its sole discretion, may elect to submit the matter for arbitration before Visa. Visa currently charges a \$250 filing fee and a \$250 review fee. If a decision is made in favor of the Cardholder and/or Card Issuer, and the Chargeback is upheld, you will be responsible for all such fees and any other applicable fees and penalties imposed by Visa, as they may change from time to time. Such fees and penalties will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For MasterCard Chargebacks: If we reverse the Chargeback and represent the transaction to the Card Issuer, the Card Issuer, at its sole discretion, may elect to resubmit the Chargeback. In such event, at the discretion of Processor, we will debit your Settlement Account or settlement funds for the Chargeback. However, if you feel strongly that it is an invalid Chargeback, we may, on your behalf and at your request, submit the matter for arbitration before MasterCard. MasterCard currently charges a \$150 filing fee and a \$250 review fee. If a decision is made in favor of the Cardholder and/or Card Issuer, and the Chargeback is upheld, you will be responsible for all such fees and any other penalties imposed by MasterCard as they may change from time to time. Such fees and penalties will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For Discover Network Chargebacks: If Discover Network rejects our representation request and you feel strongly that the Chargeback is invalid, we may, at the discretion of Processor and on your behalf and at your request, submit the matter for dispute arbitration before Discover Network. Discover Network charges fees for representation requests and an arbitration fee as published in their fee schedule.

If the Chargeback is not disputed within the applicable time limits set forth by MasterCard, Visa, and Discover Network rules and regulations, reversal rights are forfeited. Our only alternative, for Visa and MasterCard non-fraud Chargeback reason codes, is to attempt a “good faith collection” from the Card Issuer on your behalf. This process can take up to six (6) months and must meet the Card Issuer’s criteria (e.g., at or above a set dollar amount). Good faith collection attempts are not a guarantee that any funds will be collected on your behalf. Card Issuers normally charge good faith collection fees, which are deducted from the transaction amount if accepted in addition to any processing fees that are charged by us.

NOTE: Discover Network does not offer good faith collection for Acquirers.

MasterCard and Visa Association Rules require that a merchant make a good faith attempt and be willing and able to resolve any disputes directly with the Cardholder. Discover Network rules and regulations, however, prohibit you and/or us from contacting the Cardholder directly regarding dispute(s) or any other matter, except as required for acceptance of Discover Network transactions, and require you and/or us to submit any responses to dispute notices directly to Discover Network.

Due to Association Rules, you may not re-bill a Cardholder after a Chargeback is received for that transaction, even with Cardholder authorization.

We strongly recommend that you include a detailed rebuttal letter along with all pertinent documents when responding to a transaction request or a Chargeback notification (e.g., rental agreement, imprinted portion of the invoice or Sales Draft; the portion signed by the Cardholder; and the area where the authorization codes, with amounts and dates, are located).

Due to the short time frames and the supporting documentation necessary to successfully (and permanently) reverse a Chargeback in your favor, we strongly recommend the following:

- Avoid Chargebacks by adhering to the guidelines and procedures outlined in these Operating Procedures.
- If you do receive a Chargeback, investigate, and if you dispute the Chargeback, submit the appropriate documentation within the required time frame.

- Whenever possible, contact the Cardholder directly to resolve the dispute, unless the dispute relates to a Discover Network Cardholder, in which case direct contact with the Discover Network Cardholder regarding the dispute is prohibited by Discover Network Association Rules.
- If you have any questions, call Customer Service.

10.1.4. Chargeback Reasons. The following section outlines the most common types of Chargebacks. This list is not exhaustive. For ease of understanding, we have combined like Chargebacks into seven groupings. We have included recommendations on how to reduce the risk of Chargebacks within each group. These are recommendations only, and do not guarantee that you will be able to prevent Chargebacks.

- 1. Authorization Issues:** Proper Authorization procedures were not followed and valid Authorization was not obtained.

The following scenarios could cause an Authorization Related Chargeback to occur:

- Authorization not obtained.
- Authorization was declined.
- Transaction processed with an expired card and Authorization was not obtained.
- Transaction was processed with an invalid account number and Authorization was not obtained.
- Card Recovery Bulletin (CRB) or Exception File was not checked (transactions below floor limit).

To reduce your risk of receiving an Authorization Related Chargeback:

- Obtain valid Authorization on the day of the transaction.
 - Card Present Transactions-Authorization must be obtained on the transaction date for the amount settled.
 - Card Not Present Transactions-Authorization must be obtained on the transaction date for the amount settled. However, if merchandise is being shipped, Authorization must be obtained within seven calendar days of the transaction ship date.
- If a declined response is received request another form of payment from the Cardholder.
- If a Referral response is received follow proper voice procedures to obtain a valid Authorization and obtain an imprint of the card.
- “Pick-up” response indicates that the Issuer is requesting for the card to be retained and returned back to them. The Credit Card should not be accepted for payment. Additionally, you can choose to retain the Credit Card and return it to the Acquirer for a reward.
- Merchants should not exceed any predetermined thresholds for specific terminal types as specified by each Payment Card Company.

- 2. Cancellations and Returns:** Credit was not processed properly or the Cardholder has cancelled and/or returned items.

The following scenarios could cause a Cancellation and Return Related Chargeback to occur:

- Cardholder received damaged or defective merchandise.
- Cardholder continued to be billed for cancelled recurring transaction.
- Credit transaction was not processed.

To reduce your risk of receiving a Cancellation and Return Related Chargeback:

- Issue Credit to the Cardholder on the same account as the purchase in a timely manner.
 - Do not issue Credit to the Cardholder in the form of cash, check or in-store/merchandise Credit as we may not be able to recoup your funds in the event the transaction is charged back.
- Ensure customers are fully aware of the conditions for recurring transactions. Cancel recurring billings as soon as notification is received from the customer or as a Chargeback, and Issue a Credit as needed to the cardholder in a timely manner.
- Pre-notify the Cardholder of billings within 10 days (Domestic) and 15 (International) prior to billing, allowing the Cardholder time to cancel the transaction.
- Provide proper disclosure of your refund policy for returned/cancelled merchandise, or services to the cardholder at the time of transaction.
 - Card present, cardholder signed the Sales Draft containing disclosure
- If applicable, the words “NO EXCHANGE, NO REFUND,” etc. must be clearly printed in 1/4-inch lettering on the Sales Draft near or above the Cardholder signature.
 - Ecommerce, provide disclosure on website on same page as check out showing Cardholder must click to accept prior to completion.
 - Card Not Present, provide cancellation policy at the time of the transaction.
 - Provide cancellation numbers to Cardholder’s when lodging services are cancelled.
- Ensure delivery of the merchandise or services ordered to the Cardholder.

- 3. Fraud:** Transactions that the Cardholder or authorized user claim are unauthorized; the account number is no longer in use or is fictitious, or the merchant was identified as “high risk.”

The following scenarios could cause a Fraud Related Chargeback to occur:

- Multiple transactions were completed with a single card without the Cardholder’s permission
- Counterfeit card was utilized and proper acceptance procedures were not followed
- Authorization was obtained; however, full track data was not transmitted
- Cardholder states that they did not authorize or participate in the transaction

To reduce your risk of receiving a Fraud Related Chargeback:

Card Present Transactions:

- Obtain an Authorization for all transactions

- If you are an electronic merchant, magnetically swipe all card transactions through your electronic authorization device to capture Cardholder information and ensure the displayed Cardholder number matches the number on the card
- If you are unable to swipe the card or if a Referral response is received, imprint the card using a valid imprinting device that will capture the embossed card and merchant information. Do not alter the imprint on the draft in any way. Manually entering the information into the terminal does not protect you from this type of Chargeback. All pertinent information relating to the transaction must be written on the manually imprinted draft (transaction date, dollar amount, authorization code and merchandise description) along with the Cardholder signature.

NOTE: Do not imprint on the back of a signed draft. The imprint must be on the transaction document that contains all transaction elements to prove the card was present at the time of the transaction.

- Obtain the Cardholder signature for all transactions, ensure the signature on the draft matches the signature on the back of the card.
- Process all transaction one time and do not batch out transaction multiple times.
- Educate staff on procedures to eliminate point of sale (POS) fraud.

Card Not Present Transactions:

- Participation in recommended Fraud Prevention Tools:

- Verified by Visa Program
- MasterCard SecureCode
- Address Verification Services
- CVV2, CVC2 and CID Verification

NOTE: While transactions utilizing these tools may still be disputed, the service may assist you with your decision to accept the card for the transaction.

- Ensure you ship to the AVS confirmed address (bill to and ship to should match).
- Obtain Authorization for all transactions.
- Ensure merchant descriptor matches the name of the business and is displayed correctly on the Cardholder statement.
- Ensure descriptor includes correct business address and a valid customer service number.

- 4. **Cardholder Disputes:** Merchandise or services not received by the Cardholder, Merchandise defective or not as described.

The following scenarios could cause a Cardholder Dispute Chargeback to occur:

- Services were not provided or merchandise was not received by the Cardholder.
- The Cardholder was charged prior to merchandise being shipped or merchandise was not received by agreed upon delivery date or location.
- Cardholder received merchandise that was defective damaged or unsuited for the purpose sold, or did not match the description on the transaction documentation/verbal description presented at the time of purchase.
- Cardholder paid with an alternate means and their Credit Card was also billed for the same transaction.
- Cardholder cancelled service or merchandise and their Credit Card was billed.
- Cardholder billed for a transaction that was not part of the original transaction document.

To reduce your risk of receiving a Cardholder Dispute Related Chargeback:

- Provide Services or Merchandise as agreed upon and described to the cardholder; clearly indicate the expected delivery date on the sales receipt or invoice.
- Contact the cardholder in writing if the merchandise or service cannot be provided or is delayed, and offer the cardholder the option to cancel if your internal policies allow.
- In the event that the cardholder received defective merchandise or the merchandise received was not as described; resolve the issue with the cardholder at first contact.
- If the merchandise is being picked up by the Cardholder have them sign for the merchandise after inspection that it was received in good.
- Do not charge the Cardholder until the merchandise has been shipped, ship according to the agreed upon terms and obtain signed Proof of Delivery from the Cardholder.
- If unable to provide services or merchandise, issue credit to cardholder in a timely manner.
- Accept only one form of payment per transaction and ensure the cardholder is only billed once per transaction.
- Do not bill Cardholder for loss, theft or damages unless authorized by the Cardholder.

- 5. **Processing Errors:** Error was made when transaction was processed or it was billed incorrectly.

The following scenarios could cause a Processing Error Chargeback to occur:

- Transaction was not deposited within the Payment Card Company specified timeframe.
- Cardholder was issued a credit voucher; however, the transaction was processed as a sale.
- Transaction was to be processed in a currency other than the currency used to settle the transaction.
- The account number or transaction amount utilized in the transaction was incorrectly entered.
- A single transaction was processed more than once to the cardholders account.
- Cardholder initially presented card as payment for the transaction; however Cardholder decided to use an alternate form of payment.
- Limited amount or self-service terminal transaction was processed for an amount which is over the pre-determined limit.

To reduce your risk of receiving a Processing Error Related Chargeback:

- Process all transactions within the Payment Card Company specified timeframes.
- Ensure all transactions are processed accurately and only one time.
- NOTE:** In the event that a transaction was processed more than once; immediately issue voids, transaction reversals or credits.
- Ensure that credit transaction receipts are processed as credits and sale transaction receipts are processed as sales.
- Ensure all transactions received a valid authorization code prior to processing the transaction and obtain a legible magnetic swipe or imprinted transaction document that is signed.
- Do not alter transaction documentation or make any adjustments unless the Cardholder has been contacted and agrees to any modifications of the transaction amount.
- Ensure limited amount, self-service and automated fuel dispenser terminals are set properly to conform to the pre-determined limits.

- 6. **Non Receipt of Information:** Failure to Respond to a Retrieval Request or Cardholder Does Not Recognize.

The following scenarios could cause Non Receipt of Information Chargeback to occur:

- The transaction documentation was not provided to fulfill the retrieval request.
- The retrieval request was fulfilled with an illegible transaction receipt or was an invalid fulfillment (incorrect sales slip or sales slip did not contain required information which may include signature).
- The Cardholder does not recognize or is unfamiliar with the transaction due to the merchant name and/or location not matching the name and/or location where the transaction took place.

To reduce your risk of receiving a Non Receipt of Information Related Chargeback:

- Provide a clear and legible copy of the transaction documentation that contains all required data elements within the required timeframe that is specified on the retrieval request.
- Ensure that the most recognizable merchant name, location and/or customer service phone number is provided on all transactions.
- Retain copies of all transaction documentation for the required timeframe that is specified by each Payment Card Company.
- Develop efficient methods to retrieve transaction documentation to maximize ability to fulfill requests.

10.2. Other Debits. We may also debit your Settlement Account or your settlement funds in the event we are required to pay Association fees, charges, fines, penalties or other assessments as a consequence of your sales activities. Such debits shall not be subject to any limitations of time specified elsewhere in the Agreement. The following is a list of reasons for other debits. We may add to or delete from this list as changes occur in the Association Rules or our operational requirements:

- Association fees, charges, fines, penalties, registration fees, or other assessments including any fees levied against us or any amount for which you are obligated to indemnify us.
- Currency conversion was incorrectly calculated. **NOTE: For Discover Network transactions, you are not permitted to convert from your local Discover Network approved currency into another currency, nor may you quote the price of a transaction in U.S. Dollars if completed in another approved currency.**
- Discount not previously charged.
- Reversal of deposit posted to your account in error.
- Debit for Summary Adjustment not previously posted.
- Reversal of Credit for deposit previously posted.
- Debit for Chargeback never posted to your account.
- Debit for EDC Batch error fee.
- Association Merchant Chargeback/Fraud Monitoring Fee – Excessive Chargeback Handling Fee.
- Failure of transaction to meet Member Controller Authorization Service (“MCAS”) – Cardholder account number on exception file.
- Original transaction currency (foreign) not provided.
- Travel Voucher exceeds maximum value.
- Debit and/or fee for investigation and/or Chargeback costs related to this Agreement, or for costs related to our collection activities in an amount no less than \$100.00.
- Costs arising from replacement or damage to equipment rented.
- Payment of current or past due amounts for any equipment purchase, rental or lease.
- Incorrect merchant descriptor (name and/or city, state) submitted.
- Incorrect transaction date submitted.
- Shipping and handling interchange fees.
- Costs or expenses associated with responding to any subpoena, garnishment, levy or other legal process associated with your account.

10.3. Summary (Deposit) Adjustments/Electronic Rejects. Occasionally, it is necessary to adjust the dollar amount of your summaries/Submissions (deposits) and credit or debit your Settlement Account or settlement funds accordingly. The following is a list of the most frequent reasons for Summary (Deposit) Adjustments/Electronic Rejects:

- Your summary reflected an arithmetic error.
- Submitted sales not included in your Agreement (e.g., American Express, JCB).

- The dollar amount is unreadable/illegible.
- The Cardholder's account number is unreadable/illegible.
- Duplicate Sales Draft submitted.
- Credit Card number is incorrect/incomplete.
- Summary indicated credits, but no credits were submitted.

10.4. Disputing Other Debits and Summary Adjustments. In order to quickly resolve disputed debits and Summary Adjustments, it is extremely important that the items listed in this section be faxed or sent to the address listed on the notification.

If the Summary Adjustment is for an unreadable or incorrect Cardholder number, resubmit the corrected Sales Draft with your next deposit. Also, if the transaction is over thirty (30) calendar days old, you must reauthorize and obtain a valid Authorization Approval Code.

A clear and legible copy of the Sales Draft containing the following should be obtained from your files:

- Date of sale/Credit;
- Cardholder's account number, name and signature;
- Total amount of the sale and description of goods and services; and
- Date and Authorization Approval Code.

Include a dated cover letter detailing the reasons for requesting a review of the debit or Summary Adjustment and documentation to support your dispute. In the event you exceed the guidelines or submit suspicious transactions as identified by an Association or any related program or reports, you may be subject to: (i) operating procedure requirement modifications; (ii) incremental Chargebacks and/or fees; (iii) settlement delay or withholding; (iv) termination of your Agreement; or (v) audit and imposition of fines.

15. Credit Card Operating Procedures; Association Rules

You agree to follow all requirements of this Agreement in connection with each Card transaction and to comply with all applicable Association Rules. From time to time, we may amend the Operating Procedures, by providing you with at least 20 days' prior written notice, and those provisions will be deemed incorporated into this Agreement. However, for changes in the Association Rules or for security reasons, certain changes in Card procedures may become effective on shorter notice. If there are any inconsistencies between the General Terms and the Operating Procedures, the General Terms will govern.

16. Settlement of Card Transactions

16.1. We will only be required to settle Card transactions for Card types specified in your Application. Promptly after presentment of Sales Drafts pursuant to the Operating Procedures, we will initiate a transfer of the applicable settlement funds to you.

16.2. All settlements for Visa, MasterCard and Discover Network Card transactions will be net of Credits/refunds, adjustments, applicable discount fees when due, Chargebacks and any other amounts then due from you. We may also set off from any payments otherwise due, any amounts owed to our affiliates (and/or affiliates of Bank) whether or not arising out of or related to this Agreement.

16.3. All Credits to your Settlement Account or other payments to you are provisional and are subject to, among other things, our final audit, Chargebacks (including our related losses), fees and fines imposed by the Associations. You agree that we may debit or credit your Settlement Account for any deficiencies, overages, fees and pending Chargebacks, or may deduct such amounts from settlement funds due to you. Alternatively, we may elect to invoice you for any such amounts, net due 30 days after the invoice date or on such earlier date as may be specified.

16.4. We will not be liable for any delays in receipt of funds or errors in debit and Credit entries caused by third parties including but not limited to any Association or your financial institution.

16.5. In addition to any other remedies available to us under this Agreement, you agree that should any Event of Default (see Section 23.4) occur, we may, with or without notice, change processing or payment terms and/or suspend Credits or other payments of any and all funds, money and amounts now due or hereafter to become due to you pursuant to the terms of this Agreement, until we have had reasonable opportunity to investigate such event.

17. Exclusivity

During the term of this Agreement, you shall use us as your exclusive provider of all Services.

18. Fees; Adjustments; Collection of Amounts Due

18.1. You shall be charged fees for the Services, which shall be calculated and payable pursuant to this Agreement and any additional pricing supplements. You acknowledge that the fees agreed to are based on the assumption that your transactions will qualify for certain interchange levels (your Anticipated Interchange Levels), as set by the applicable Association. If a transaction fails to qualify for your Anticipated Interchange Levels, then the Association will downgrade the transaction and process it at a more costly interchange level for which it does qualify. In that event, you shall be charged a Non-Qualified Interchange Fee, which is the difference in the interchange fee associated with the Anticipated Interchange Level and the interchange fee associated with the interchange level at which the transaction actually was processed; plus, any applicable Non-Qualified Surcharge for each non-qualifying transaction, the amount of which is set forth in the service fee schedule. For more information on Visa's and MasterCard's interchange rates, please go to www.visa.com and www.mastercard.com.

18.2. All authorization fees will be charged for each transaction that you attempt to authorize. All capture fees will be charged for each transaction that you transmit to us for settlement.

18.3. The fees for Services set forth in this Agreement are based upon assumptions associated with the anticipated annual volume and average transaction size for all Services as set forth in this Agreement and your method of doing business. If the actual volume or average transaction size are not as expected or if you significantly alter your method of doing business, we may adjust your discount fee and transaction fees without prior notice.

18.4. The fees for Services set forth in this Agreement may be adjusted to reflect increases or decreases by Associations in interchange, assessments and other Association fees or to pass through increases charged by third parties for on-line communications and similar items. All such adjustments shall be your responsibility to pay and shall become effective upon the date any such change is implemented by the applicable Association or third party.

18.5. Subject to Section 23.3, we may also increase our fees for Services for any other reason by notifying you twenty (20) days prior to the effective date of any such change.

18.6. If you receive settlement funds by wire transfer, we may charge a wire transfer fee per wire.

18.7. To the extent the Automated Clearing House ("ACH") settlement process is used to effect debits or Credits to your Settlement Account, you agree to be bound by the terms of the operating rules of the National Automated Clearing House Association, as in effect from time to time. You hereby authorize us to initiate credit and debit entries and adjustments to your account through the ACH settlement process and/or through direct instructions to the financial institution where your Settlement Account is maintained for amounts due under this Agreement and under any agreements with us or our affiliates for any related services, as well as for any credit entries in error. You hereby authorize the financial institution where your Settlement Account is maintained to effect all such debits and credits to your account. This authority will remain in full force and effect until we have given written notice to the financial institution where your Settlement Account is maintained that all monies due under this Agreement and under any other agreements with us or our affiliates for any related services have been paid in full.

18.8. You agree to pay any fines imposed on us by any Association resulting from Chargebacks and any other fees or fines imposed by an Association with respect to your acts or omissions. You are also responsible for any fines or fees imposed on us as a result of acts or omissions by your agents or third parties.

18.9. If your Chargeback percentage for any line of business exceeds the estimated industry Chargeback percentage, you shall, in addition to the Chargeback fees and any applicable Chargeback handling fees or fines, pay us an excessive Chargeback fee for all Chargebacks occurring in such month in such line(s) of business. Each estimated industry Chargeback percentage is subject to change from time to time by us in order to reflect changes in the industry Chargeback percentages reported by Visa, MasterCard or Discover Network. Your Chargeback Percentage will be calculated as the larger of (a) the total Visa, MasterCard and Discover Network Chargeback items in any line of business in any calendar month divided by the number of Visa, MasterCard and Discover Network transactions in that line of business submitted that month, or (b) the total dollar amount of Visa, MasterCard and Discover Network Chargebacks in any line of business received in any calendar month divided by the total dollar amount of your Visa, MasterCard and Discover Network transactions in that line of business submitted in that month.

18.10. If you believe any adjustments should be made with respect to your Settlement Account, you must notify us in writing within 45 days after any debit or Credit is or should have been effected. If you notify us after such time period, we may, in our discretion, assist you, at your expense, in investigating whether any adjustments are appropriate and whether any amounts are due to or from other parties, but we shall not have any obligation to investigate or effect any such adjustments. Any voluntary efforts by us to assist you in investigating such matters shall not create any obligation to continue such investigation or any future investigation.

19. Chargebacks

19.1. You shall be responsible for reimbursing us for all transactions you submit that are charged back. See the Operating Procedures for additional information regarding Chargebacks and Chargeback procedures.

19.2. You shall reimburse us for any Chargebacks, return items, or other losses resulting from your failure to produce a Card transaction record requested by us within the applicable time limits.

20. Representations; Warranties; Limitations on Liability; Exclusion of Consequential Damages

20.1. Without limiting any other warranties hereunder, you represent and warrant as to each Card transaction submitted under our Agreement that:

20.1.1. the Card transaction represents a bona fide sale/rental of merchandise or services not previously submitted;

20.1.2. the Card transaction represents an obligation of the Cardholder for the amount of the Card transaction;

20.1.3. the amount charged for the Card transaction is not subject to any dispute, setoff or counterclaim;

20.1.4. the Card transaction amount is only for the merchandise or services (including taxes, but without any surcharge) sold or rented and, except for any delayed delivery or advance deposit Card transactions expressly authorized by this Agreement, the merchandise or service was actually delivered to or performed for the person entering into the Card transaction simultaneously upon your accepting and submitting the Card transaction for processing;

20.1.5. the Card transaction does not represent the refinancing of an existing obligation of the Cardholder (including any obligation otherwise owed to you by a Cardholder or arising from the dishonor of a personal check);

20.1.6. you have no knowledge or notice of any fact, circumstances or defense which would indicate that the Card transaction was fraudulent or not authorized by the Cardholder or which would otherwise impair the validity or collectibility of the Cardholder's obligation arising from such Card transaction or relieve the Cardholder from liability with respect thereto;

20.1.7. the Card transaction submitted to us was entered into by you and the Cardholder;

20.1.8. the Card transaction was made in accordance with these General Terms, Association Rules and the Operating Procedures; and

20.1.9. the Card transaction is not a payment for a product or service that violates federal, state or local law in any jurisdiction that may be applicable.

20.2. THIS AGREEMENT IS A SERVICE AGREEMENT. WE DISCLAIM ALL REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, MADE TO YOU OR ANY OTHER PERSON, INCLUDING WITHOUT LIMITATION, ANY WARRANTIES REGARDING QUALITY, SUITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OR OTHERWISE OF ANY SERVICES OR ANY GOODS PROVIDED INCIDENTAL TO THE SERVICES PROVIDED UNDER THIS AGREEMENT, INCLUDING WITHOUT LIMITATION, ANY SERVICES OR ANY GOODS PROVIDED BY A THIRD PARTY.

20.3. IN NO EVENT SHALL EITHER PARTY, OR THEIR AFFILIATES OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS OR SUBCONTRACTORS, BE LIABLE UNDER ANY THEORY OF TORT, CONTRACT, STRICT LIABILITY OR OTHER LEGAL THEORY FOR LOST PROFITS, LOST REVENUES, LOST BUSINESS OPPORTUNITIES, EXEMPLARY, PUNITIVE, SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE PARTIES, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE OR WHETHER ANY PARTY OR ANY ENTITY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. CLIENT ACKNOWLEDGES AND AGREES THAT PAYMENT OF ANY EARLY TERMINATION FEE OR LIQUIDATED DAMAGES AS PROVIDED ELSEWHERE IN THIS AGREEMENT SHALL NOT BE PROHIBITED BY THIS PARAGRAPH.

20.4. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY (INCLUDING BUT NOT LIMITED TO SECTIONS 26 or 20.5), OUR CUMULATIVE LIABILITY FOR ALL LOSSES, CLAIMS, SUITS, CONTROVERSIES, BREACHES OR DAMAGES FOR ANY CAUSE WHATSOEVER (INCLUDING, BUT NOT LIMITED TO, THOSE ARISING OUT OF OR RELATED TO THIS AGREEMENT) AND REGARDLESS OF THE FORM OF ACTION OR LEGAL THEORY SHALL NOT EXCEED, (I) \$50,000; OR (II) THE AMOUNT OF FEES RECEIVED BY US PURSUANT TO THE AGREEMENT FOR SERVICES PERFORMED IN THE IMMEDIATELY PRECEDING 12 MONTHS, WHICHEVER IS LESS.

20.5. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY (INCLUDING BUT NOT LIMITED TO SECTION 26), OUR LIABILITY FOR ANY DELAY IN FUNDING TRANSACTIONS TO YOU FOR ANY REASON WILL BE LIMITED TO INTEREST COMPUTED FROM THE DATE THAT YOU SUBMIT THE TRANSACTION TO THE DATE THAT WE FUND THE TRANSACTION AT THE RATE OF THE FEDERAL FUNDS, AS ESTABLISHED BY THE FEDERAL RESERVE BOARD FROM TIME TO TIME, LESS ONE PERCENT (1%).

20.6. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, BANK IS NOT RESPONSIBLE, AND SHALL HAVE NO LIABILITY, TO YOU IN ANY WAY WITH RESPECT TO DISCOVER NETWORK CARD, AMERICAN EXPRESS CARD, JCB CARD, PIN DEBIT CARD, AND ELECTRONIC BENEFITS TRANSFER TRANSACTIONS, AND TRANSACTIONS INVOLVING CARDS FROM OTHER NON-BANK CARD ASSOCIATIONS SUCH AS VOYAGER FLEET SYSTEMS, INC., WRIGHT EXPRESS CORPORATION AND WRIGHT EXPRESS FINANCIAL SERVICES CORPORATION.

21. Confidentiality

21.1. Unless you obtain consents from us and each applicable Association, Card Issuer and Cardholder, you must not use, disclose, store, sell or disseminate any Cardholder information obtained in connection with a Card transaction (including the names, addresses and Card account numbers of Cardholders) except for purposes of authorizing, completing and settling Card transactions and resolving any Chargebacks, Retrieval Requests or similar issues involving Card transactions, other than pursuant to a court or governmental agency request, subpoena or order. You shall use proper controls for and limit access to, and render unreadable prior to discarding, all records containing Cardholder account numbers and Card imprints. You may not retain or store Magnetic Stripe data or Card Validation Codes after a transaction has been authorized. If you store any electronically captured signature of a Cardholder, you may not reproduce such signature except upon our specific request.

21.2. You acknowledge that you will not obtain ownership rights in any information relating to and derived from Card transactions. Cardholder account numbers, personal information and other Card transaction information, including any databases containing such information, may not be sold or disclosed to a third party as an asset upon a bankruptcy, insolvency or failure of Client's business. Upon a bankruptcy, insolvency or failure of Client's business all Card transaction information must be returned to Servicers or acceptable proof of the destruction of all Card transaction information must be provided to Servicers.

22. Assignments

22.1. Any transfer or assignment of this Agreement by you, without our prior written consent, by operation of law or otherwise, is voidable by us. Furthermore, you shall indemnify and hold us harmless from all liabilities, Chargebacks, expenses, costs, fees and fines arising from such transferee's or assignee's Submission of Card transactions to us for processing. For purposes of this Section 22, any transfer of voting control shall be considered an assignment or transfer of this Agreement.

22.2. The payment Services provided by us require access to a single bank account in which we may initiate both Credits and debits. You may not enter into any agreement that would require, in any circumstance or event, the transfer of any payments or proceeds from Credit Card transactions covered by this Agreement to the custody or control of any third party. You may not assign any rights, including the right of payment under this Agreement, to any other person. In the event that you make an assignment (or provide a security interest) of receivables covered by this Agreement, then we may, at our option, elect to (a) refuse to acknowledge such assignment unless accompanied by an Authorization to both initiate debits or Credits to the bank account of the assignee, (b) terminate this Agreement immediately, or (c) charge for any transfers that we are called upon to make manually to fulfill such an assignment at the rate of \$100 per transfer.

22.3. Upon notice to you, another Visa and MasterCard member may be substituted for Bank under whose sponsorship this Agreement is performed with respect to Visa and MasterCard transactions. Upon substitution, such other Visa and MasterCard member shall be responsible for all obligations required of Bank for Visa and MasterCard transactions, including without limitation, full responsibility for its bank Card program and such other obligations as may be expressly required by applicable Association Rules.

Subject to Association Rules, we may assign or transfer this Agreement and our rights and obligations hereunder and/or may delegate our duties hereunder, in whole or in part, to any third party, whether in connection with a change in sponsorship, as set forth in the preceding sentence, or otherwise, without notice to you or your consent.

22.4. Except as set forth elsewhere in this Section and as provided in the following sentence, this Agreement shall be binding upon successors and assigns and shall inure to the benefit of the parties and their respective permitted successors and assigns. No assignee for the benefit of creditors, custodian, receiver, trustee in bankruptcy, debtor in possession, or other person charged with taking custody of a party's assets or business, shall have any right to continue, assume or assign this Agreement.

23. Term; Events of Default

23.1. This Agreement shall become effective upon the date this Agreement is approved by our Credit Department.

23.2. The initial term of this Agreement shall commence and shall continue in force for three years after it becomes effective. Thereafter, it shall continue until either party terminates the Agreement upon written notice to the other.

23.3. Notwithstanding the above or any other provisions of this Agreement, we may terminate this Agreement at any time and for any reason by providing 30 days' advance notice to you. We may terminate this Agreement immediately or with shorter notice upon an Event of Default as provided under Section 23.4 of this Agreement. In the event we provide notice to you of an increase in the fees for Services, pursuant to Section 18.5, you may terminate this Agreement without further cause or penalty by providing us 30 days advance written notice of termination. You must terminate within 30 days after we provide notice of the Section 18.5 fee increase. The Section 18.5 fee increase shall not take effect in the event you provide timely notice of termination. However, your continued use of our Services after the effective date of any increase shall be deemed acceptance of the increased fees for Services, throughout the term of this Agreement.

23.4. If any of the following events shall occur (each an "Event of Default"):

23.4.1. a material adverse change in your business, financial condition, business procedures, prospects, products or services; or

23.4.2. any assignment or transfer of voting control of you or your parent; or

23.4.3. a sale of all or a substantial portion of your assets; or

23.4.4. irregular Card sales by you, excessive Chargebacks, noncompliance with any applicable data security standards, as determined by Servicers, of any Card Association, or any other entity, or an actual or suspected data security breach, or any other circumstances which, in our sole discretion, may increase our exposure for your Chargebacks or otherwise present a financial or security risk to us; or

23.4.5. any of your representations or warranties in this Agreement are breached in any material respect or are incorrect in any material respect when made or deemed to be made; or

23.4.6. you shall default in any material respect in the performance or observance of any term, covenant, condition or agreement contained in this Agreement, including, without limitation, the establishment or maintenance of funds in a Reserve Account, as detailed in Section 24; or

23.4.7. you shall default in any material respect in the performance or observance of any term, covenant or condition contained in any agreement with any of our affiliates; or

23.4.8. you shall default in the payment when due, of any material indebtedness for borrowed money; or

23.4.9. you shall file a petition or have a petition filed by another party under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against it in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property; or make a general assignment for the benefit of creditors; or take any corporate action for the purpose of authorizing any of the foregoing; or

23.4.10. your independent certified accountants shall refuse to deliver an unqualified opinion with respect to your annual financial statements and your consolidated subsidiaries; or

23.4.11. a violation by you of any applicable law or Association Rule or our reasonable belief that termination of this Agreement or suspension of Services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the US Department of the Treasury or your breach, as determined by Servicers, of Section 32.2 ("Compliance with Laws");

then, upon the occurrence of (1) an Event of Default specified in subsections 23.4.4, 23.4.9 or 23.4.11, we may consider this Agreement to be terminated immediately, without notice, and all amounts payable hereunder shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days' notice to you, and upon such notice all amounts payable hereunder shall be due and payable on demand.

23.5. Neither the expiration nor termination of this Agreement shall terminate the obligations and rights of the parties pursuant to provisions of this Agreement which by their terms are intended to survive or be perpetual or irrevocable. Such provisions shall survive the expiration or termination of this Agreement. All obligations by you to pay or reimburse us for any obligations associated with transactions you have submitted to us are intended to survive termination of this Agreement.

23.6. If any Event of Default shall have occurred and regardless of whether such Event of Default has been cured, we may, in our sole discretion, exercise all of our rights and remedies under applicable law, and this Agreement including, without limitation, exercising our rights under Section 24.

23.7. In the event you file for protection under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency, assignment for the benefit of creditors or similar laws, and you continue to use our Services, it is your responsibility to open new accounts to distinguish pre and post filing obligations. You acknowledge that as long as you utilize the accounts you established prior to such filing, we will not be able to systematically segregate your post-filing transactions or prevent set-off of the pre-existing obligations. In that event, you will be responsible for submitting an accounting supporting any adjustments that you may claim.

23.8. The Associations often maintain lists of merchants who have had their Merchant Agreements or Card Acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Associations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by Visa, MasterCard or Discover Network. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

23.9. After termination of this Agreement for any reason whatsoever, you shall continue to bear total responsibility for all Chargebacks, fees, Credits and adjustments resulting from Card transactions processed pursuant to this Agreement and all other amounts then due or which thereafter may become due under this Agreement.

24. Reserve Account; Security Interest

24.1. You expressly authorize us to establish a Reserve Account pursuant to the terms and conditions set forth in this Section 24. The amount of such Reserve Account shall be set by us, in our sole discretion, based upon your processing history and the potential risk of loss to us as we may determine from time to time.

24.2. The Reserve Account shall be fully funded upon three (3) days' notice to you, or in instances of fraud or suspected fraud or an Event of Default, Reserve Account funding may be immediate. Such Reserve Account may be funded by all or any combination of the following: (i) one or more debits to your Settlement Account or any other accounts held by Bank or any of its affiliates, at any financial institution vested in the name of Client, any of its principals, or any of its guarantors, or if any of same are authorized signers on such account; (ii) any payments otherwise due to you; (iii) your delivery to us of a letter of credit; or (iv) if we so agree, your pledge to us of a freely transferable and negotiable certificate of deposit. Any such letter of credit or certificate of deposit shall be issued or established by a financial institution acceptable to us and shall be in a form satisfactory to us. In the event of termination or expiration of this Agreement by any party, an immediate Reserve Account may be established without notice in the manner provided above. Any Reserve Account will be held by us for the greater of ten (10) months after termination or expiration of this Agreement or for such longer period of time as is consistent with our liability for Card transactions and Chargebacks in accordance with Association Rules. Your funds will be held in an account commingled with reserve funds of our other Clients, without involvement by an independent escrow agent. Unless specifically agreed in writing by us or specifically required by applicable law, funds held by us in a Reserve Account shall not accrue interest. Notwithstanding the foregoing, we shall be entitled to accrued interest on any such funds held.

24.3. If your funds in the Reserve Account are not sufficient to cover the Chargebacks, adjustments, fees and other charges due from you, or if the funds in the Reserve Account have been released, you agree to promptly pay us such sums upon request.

24.4.1. To secure your obligations to Servicers and our affiliates under this Agreement and any other agreement for the provision of related equipment or related services (including any obligations for which payments on account of such obligations are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause), you grant to Servicers a first priority lien and security interest

in and to (i) the Reserve Account and (ii) any of your funds pertaining to the Card transactions contemplated by this Agreement now or hereafter in the possession of Servicers, whether now or hereafter due or to become due to you from Servicers. Any such funds, money or amounts now or hereafter in the possession of Servicers may be commingled with other funds of Servicers, or, in the case of any funds held pursuant to the foregoing paragraphs, with any other funds of other customers of Servicers. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, Servicers are hereby authorized by you at any time and from time to time, without notice or demand to you or to any other person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of your obligations to Servicers and their affiliates under this Agreement and any other agreement with Servicers or any of Servicers' affiliates for any related equipment or related services (including any check services), whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured. You agree to duly execute and deliver to Servicers such instruments and documents as Servicers may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and subordination set forth in this Agreement.

24.4.2. To the extent funds are held in a separate Reserve Account, the Reserve Account shall be subject to (i) Servicers' security interest pursuant to this subsection 24.4, and (ii) an account control agreement (as defined by the applicable sections of the Uniform Commercial Code, hereinafter referred to as "Control Agreement") among you, the institution at which the Reserve Account is held (such institution hereinafter referred to as "Settlement Account") and Servicers (such investment account hereinafter referred to as the "Control Account"). The Control Agreement shall be in form and substance satisfactory to Servicers. The Settlement Account shall be a National Association bank which is mutually acceptable to you and Servicers.

24.4.3. For sake of clarification and notwithstanding anything in the Agreement to the contrary, in the event Servicers deduct, holdback, suspend, off set or set off (collectively "Set Off Funds") any settlement monies or amounts otherwise due you pursuant to the terms of this Agreement, you acknowledge that such Set Off Funds will be held in a commingled Reserve Account(s) of Servicers (as described in this subsection 24.4) unless such Set Off Funds are wired or deposited by Servicers into any Control Account, pursuant to a Control Agreement in which case Servicers will transfer Set Off Funds from their commingled Reserve Account(s) to the Control Account as soon as practicable using commercially reasonable efforts.

24.4.4. If in replacement of or in addition to the first priority lien and security interest in the Reserve Account, you grant to Servicers a first priority lien and security interest in and to one or more certificates of deposit, the certificates of deposit shall be uncertificated and shall be subject to an Acknowledgement of Pledge of Certificate of Deposit and Control Agreement (the "Certificate of Deposit Control Agreement") by, between and among Customers, Servicers and the financial institution that has established and issued the certificate of deposit. The form of the Certificate of Deposit Control Agreement and the financial institution that will establish and issue the certificate of deposit shall be satisfactory and acceptable to Servicers.

25. Financial and Other Information

25.1. Upon request, you will provide us quarterly financial statements within 45 days after the end of each fiscal quarter and annual audited financial statements within 90 days after the end of each fiscal year. Such financial statements shall be prepared in accordance with generally accepted accounting principles. You will also provide such other financial statements and other information concerning your business and your compliance with the terms and provisions of this Agreement as we may reasonably request. You authorize us to obtain from third parties financial and credit information relating to you in connection with our determination whether to accept this Agreement and our continuing evaluation of the financial and credit status of you. We may also access and use information which you have provided to Bank for any other reason. Upon request, you shall provide to us or our representatives reasonable access to your facilities and records for the purpose of performing any inspection and/or copying of your books and/or records deemed appropriate. In such event, you shall pay the costs incurred by us for such inspection, including, but not limited to, costs incurred for airfare and hotel accommodations.

25.2. You will provide us with written notice of any judgment, writ, warrant of attachment, execution or levy against any substantial part (25% or more in value) of your total assets not later than three (3) days after you become aware of same.

26. Indemnification

26.1. You agree to indemnify and hold us harmless from and against all losses, liabilities, damages and expenses: (a) resulting from any breach of any warranty, covenant or agreement or any misrepresentation by you under this Agreement; (b) arising out of your or your employees' or your agents' negligence or willful misconduct, in connection with Card transactions or otherwise arising from your provision of goods and services to Cardholders; (c) arising out of your use of our Service; or (d) arising out of any third party indemnifications we are obligated to make as a result of your actions (including indemnification of any Association or Issuer).

26.2. We agree to indemnify and hold you harmless from and against all losses, liabilities, damages and expenses resulting from any breach of any warranty, covenant or agreement or any misrepresentation by us under this Agreement or arising out of our or our employees' gross negligence or willful misconduct in connection with this Agreement; provided that this indemnity obligation shall not apply to Bank with respect to Discover Network Card

Transactions, American Express Card Transactions and Other Services, including JCB Card, PIN Debit Card, and Electronic Benefits Transfer Transactions, and Transactions involving Cards from other Non-Bank Card Associations such as Voyager Fleet Systems, Inc., Wright Express Corporation and Wright Express Financial Services Corporation.

27. Special Provisions Regarding Non-Bank Cards

27.1. Non-Bank Card transactions are provided to you by Processor and not by Bank. Bank is not a party to this Agreement insofar as it relates to Non-Bank Card services, and Bank is not liable to you in any way with respect to such services. For the purposes of this section, the words "we," "our," and "us" refer only to the Processor and not to the Bank. You authorize us to share information from your Application with American Express, JCB, or any other Non-Bank Card Association.

27.2. You understand that American Express transactions are processed, authorized and funded by American Express. American Express will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any such transactions, including but not limited to the funding and settlement of American Express transactions, and that American Express will charge additional fees for the services they provide.

27.3. If you accept JCB Cards, you must securely retain original JCB Sales Drafts and JCB Credit Drafts for a period of at least 120 days from the date of the JCB Card transaction and you must retain microfilm or legible copies of JCB Sales Drafts and JCB Credit Drafts for a period of at least three (3) years following the date of the transaction.

27.4. If you accept JCB Cards, you agree to be bound by JCB rules. You also agree to be bound by all other provisions of this Agreement which are applicable to JCB.

27.5. If you accept Voyager and/or WEX Cards, you agree to be bound by the WEX and/or Voyager rules. You also agree to be bound by all other provisions of this Agreement which are applicable to WEX and/or Voyager.

27.6. If you execute a WEX Merchant Agreement, you understand that we will provide such agreement to WEX, but that neither we nor WEX shall have any obligation whatsoever to you with respect to processing WEX Cards unless and until WEX executes your WEX Merchant Agreement. If WEX executes your WEX Merchant Agreement and you accept WEX Cards, you understand that WEX transactions are processed, authorized and funded by WEX. You understand that WEX is solely responsible for all agreements that govern WEX transactions and that we are not responsible and assume absolutely no liability with regard to any such agreements or WEX transactions, including but not limited to the funding and settlement of WEX transactions. You understand that WEX will charge additional fees for the services that it provides.

You shall promptly submit credits to us for any returns that are to be credited to a Voyager Cardholder's account. 28. Special Provisions For PIN Debit Card

The special provisions outlined in this Section 28 apply only to those PIN Debit Card transactions that are processed by a Cardholder entering a PIN. These provisions do not apply to Non-PIN Debit Card transactions which do not involve entry of a PIN.

28.1. PIN Debit Card Acceptance. Most, but not all, ATM Cards (Debit Cards) can be accepted at the point of sale at participating locations. Examine the back of the PIN Debit Card to determine if the Card participates in a network that you are authorized to accept. Network mark(s) are usually printed on the back of the Card. If the PIN Debit Card is valid and issued by a participating network, you must comply with the following general requirements for all participating networks, in addition to the specific requirements of the network:

- You must honor all valid PIN Debit Cards when presented that bear authorized network marks.
- You must treat transactions by Cardholders from all Issuers in the same manner.
- You may not establish a minimum or maximum transaction amount for PIN Debit Card acceptance.
- You may not require additional information, besides the Personal Identification Number, for the completion of the transaction unless the circumstances appear suspicious. A signature is not required for PIN Debit Card transactions.
- You shall not disclose transaction related information to any party other than your agent, a network, or issuing institution and then only for the purpose of settlement or error resolution.
- You may not process a Credit Card transaction in order to provide a refund on a PIN Debit Card transaction.

28.2. Transaction Processing. The following general requirements apply to all PIN Debit Card transactions.:

- All PIN debit transactions must be authorized and processed electronically. There is no Voice Authorization or Imprinter procedure for PIN Debit Card transactions.
- You may not complete a PIN Debit Card transaction that has not been authorized. If you cannot obtain an Authorization at the time of sale, you should request another form of payment from the customer or process the transaction as a Store and Forward or Resubmission, in which case you assume the risk that the transaction fails to authorize or otherwise declines. The Cardholder should be instructed to contact the Issuer to find out why a transaction has been declined.
- You may not complete a PIN Debit Card transaction without entry of the Personal Identification Number (PIN) by the Cardholder. The PIN must be entered into the PIN pad only by the Cardholder. You cannot accept the PIN from the Cardholder verbally or in written form.
- The PIN Debit Network used to process your transaction will depend upon, among other things, the availability of the network at the time of the transaction, whether a particular PIN Debit Card is enabled for a particular network and the routing requirements established by the networks and the card issuers. We may, at our sole discretion, utilize any PIN Debit Network available to us for a given transaction.
- You must issue a receipt to the Cardholder upon successful completion of a transaction. The Cardholder account number must be masked so that only the last four digits will appear. The masked digits must appear as a non-numeric character such as an asterisk. This is referred to as PAN truncation.
- You may not manually enter the account number. The account number must be read electronically from the Magnetic Stripe. If the Magnetic Stripe is unreadable, you must request another form of payment from the customer.
- Any applicable tax must be included in the total transaction amount for which Authorization is requested. Tax may not be collected separately in cash.
- **YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING REFUNDS AND VOIDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.**

28.3. Cash Back From Purchase. You have the option of offering cash back to your customers when they make a PIN Debit Card purchase. You may set a minimum and maximum amount of cash back that you will allow. If you are not now offering this service, your terminal may require additional programming to begin offering cash back.

28.4. Settlement. Within one Business Day of the original transaction, you must balance each location to the system for each Business Day that each location is open.

28.5. Adjustments. An adjustment is a transaction that is initiated to correct a PIN Debit Card transaction that has been processed in error. You will be responsible for all applicable adjustment fees that may be charged by a Debit Card network. Some networks may have established minimum amounts for adjustments.

There are several reasons for adjustments being initiated:

- The Cardholder was charged an incorrect amount, either too little or too much.
- The Cardholder was charged more than once for the same transaction.
- A processing error may have occurred that caused the Cardholder to be charged even though the transaction did not complete normally at the point of sale.

All parties involved in processing adjustments are regulated by time frames that are specified in the operating rules of the applicable Debit Card network, The Electronic Funds Transfer Act, Regulation E, and other applicable law.

29. Special Provisions Regarding Electronic Benefit Transfer (“EBT”)

If you elect to engage in EBT transactions, the terms and conditions of this Section 29 shall apply.

EBT Transactions are provided to you by Processor and not by Bank. Bank is not a party to this Agreement insofar as it relates to EBT Transactions, and Bank is not liable to you in any way with respect to such services. For the purposes of this section, the words “we,” “out,” and “us” refer only to the Processor and not to the Bank.

If you have agreed to issue Cash Benefits and will provide cash back or cash only transactions, you agree to maintain adequate cash on hand to issue confirmed Cash Benefits and will issue Cash Benefits to EBT customers in the same manner and to the same extent cash is provided to your other customers. You may not require that any EBT customers purchase goods or services as a condition to receiving Cash Benefits, unless such condition applies to other customers as well. You may not designate special checkout lanes restricted to use by EBT customers unless you also designate special checkout lanes for debit or Credit Cards and/or other payment methods.

29.1. Acceptance of EBT Benefits. You agree to issue benefits to EBT customers in accordance with the procedures specified in all documentation provided to you by us, as amended from time-to-time and pursuant to all applicable law, rules and regulations. You must provide each EBT customer a receipt for each EBT transaction.

You will issue EBT benefits to EBT customers, in accordance with our then current procedures, in the amount authorized through a point-of-sale terminal, with personal identification number pad and printer. In the event of an equipment failure, you must comply with applicable procedures regarding manual voucher authorization. You must also comply with the procedures set forth in the Quest Operating Rules, as amended from time-to-time, issued by the National Automated Clearing House Association and approved by the Financial Management Service of the U.S. Treasury Department, and any additional rules, regulations and procedures specified by any additional state or federal government or agency regarding lost EBT Cards, forgotten PINs, discrepancies in benefits authorized and similar matters by referring EBT customers to their applicable EBT customer service center.

You may not accept any EBT Card for any purpose other than the acceptance of benefits, including without limitation acceptance of any EBT Card as security for repayment of any customer obligation. In the event of any violation of this provision, you will be obligated to reimburse the applicable state or us for any benefits unlawfully received. Cash should never be dispensed for Food Stamp Benefits.

29.2. Manual EBT Vouchers. All manual voucher authorizations must be cleared on your POS terminal for payment of voucher to be made to you. Vouchers must be cleared within 10 Business Days of voice authorization. Vouchers cannot be cleared by any manner except by your POS terminal therefore you should never mail vouchers requesting payment. If a voucher expires before it has been cleared by your POS for payment, no further action can be taken to obtain payment for the voucher. You must not attempt to voice authorize a manual EBT transaction if the EBT customer is not present to sign the voucher. A copy of the voucher should be given to the EBT customer at the time of authorization and you should retain one copy for your records.

29.3. Acceptance of EBT Cash Benefits. If you have agreed to issue Cash Benefits and will provide cash back or cash only transactions, you agree to comply with all applicable laws, rules and regulations and maintain adequate cash on hand to issue confirmed Cash Benefits and will issue Cash Benefits to EBT customers in the same manner and to the same extent cash is provided to your other customers. You may not require that any EBT customers purchase goods or services as a condition to receiving Cash Benefits, unless such condition applies to other customers as well. You may not designate special checkout lanes restricted to use by EBT customers unless you also designate special checkout lanes for debit or Credit Cards and/or other payment methods.

29.4. Interoperability. If you issue EBT benefits (Food Stamps and/or Cash Benefits), you must issue EBT benefits from EBT customers from all states.

29.5. Required Licenses. If you issue benefits under this Agreement, you represent and warrant to us that you are properly authorized to enter such transactions and are not currently disqualified or withdrawn from redeeming food stamp coupons or otherwise disqualified or withdrawn by any applicable agency. You agree to secure and maintain at your own expense all necessary licenses, permits, franchises, or other authorities required to lawfully effect the issuance and distribution of benefits under this Agreement, including without limitation, any applicable franchise tax certificate and non-governmental contractor's certificate, and covenant that you will not issue benefits at any time during which you are not in compliance with the requirements of any applicable law.

29.6. Term and Termination. If you are disqualified or withdrawn from the food stamp program, your authority to issue benefits will be terminated contemporaneously therewith. Such disqualification or withdrawal will be deemed a breach of this Agreement with respect to your authority to issue Cash Benefits and, in the event of such disqualification, we shall have the right to immediately terminate the provision of service under this Section 29.6

or the Agreement in its entirety. With respect to the issuance of Cash Benefits only, your authority to issue Cash Benefits may be suspended or terminated immediately at the sole discretion of us, the state or its EBT service provider, effective upon delivery of a notice of suspension or termination specifying the reasons for such suspension or termination if there shall be (i) any suspension, injunction, cessation, or termination of the EBT service provider's authority to provide EBT services to the state; (ii) failure by you, upon not less than thirty (30) days prior written notice, to cure any breach by you of the provisions of these terms and conditions, including without limitation, your failure to support the issuance of benefits during your normal business hours consistent with your normal business practices, your failure to comply with issuance procedures, impermissible acceptance of an EBT Card, or your disqualification or withdrawal from the food stamp program; or (iii) based on a state's or its EBT service provider's investigation of the relevant facts, evidence that you or any of your agents or employees are committing, participating in, or have knowledge of fraud or theft in connection with the dispensing of benefits. In the event you fail to cure any breach as set forth above, you may appeal such suspension of termination to the applicable state for determination in its sole discretion.

In the event that your authority to accept benefits is suspended or terminated by a state or its EBT service provider, and you successfully appeal such suspension or termination to the state or its EBT service provider, we shall be under no obligation to reinstate the services previously provided.

The provision of services under this Section 29.6 shall terminate automatically in the event that our Agreement or our service provider's agreement with any applicable state's EBT service provider terminates for any reason.

29.7. Confidentiality of EBT System Information. All information related to EBT recipients and/or the issuance of benefits shall be considered confidential information.

Individually identifiable information relating to a benefit recipient or applicant for benefits will be held confidential and will not be disclosed by you or your directors, officers, employees or agents, without prior written approval of the applicable state.

The use of information obtained by you in the performance of your duties under this Section 29.7 will be limited to purposes directly connected with such duties.

29.8. EBT Service Marks. You will adequately display any applicable state's service marks or other licensed marks, including the Quest mark, and other materials supplied by us (collectively the "Protected Marks") in accordance with the standards set by the applicable state. You will use the Protected Marks only to indicate that benefits are issued at your location(s) and will not indicate that we, any state or its EBT service provider or we endorses your goods or services. Your right to use such Protected Marks pursuant to this Agreement will continue only so long as this Agreement remains in effect or until you are notified by us, any state or its EBT service provider to cease their use or display.

29.9. Miscellaneous

29.9.1. Amendments. If any of these terms and conditions are found to conflict with federal or state law, regulation or policy of the rules, these terms and conditions are subject to reasonable amendment by a state or its EBT service provider to address such conflict upon twenty (20) days written notice to you provided that you may, upon written notice, terminate your obligation under this Section 29 upon receipt of notice of such amendment.

29.9.2. State Action. Nothing contained herein shall preclude a state from commencing appropriate administrative or legal action against you or for making any referral for such action to any appropriate federal, state, or local agency.

30.1. Purchase of Wireless Services. In connection with your purchase of Wireless Equipment, you will purchase the Wireless Networks' service and obtain sublicenses to use any Wireless Software (as defined in Section 30.2) associated therewith (collectively "Wireless Services"). 30.3. Limitation on Liability. We shall have no liability for any warranties by any party with respect to uninterrupted Wireless Services, as set forth in Section 30.10, or for any third party's unauthorized access to Client's data transmitted through either the Wireless Equipment or Wireless Services, or Wireless Networks, regardless of the form of action (whether in contract, tort (including negligence), strict liability or otherwise). The foregoing notwithstanding, for any other liability arising out of or in any way connected with these Wireless Services terms, including liability resulting solely from loss or damage caused by partial or total failure, delay or nonperformance of the Wireless Services or relating to or arising from your use of or inability to use the Wireless Services, Processor's, Bank's, and Vendor(s)' liability shall be limited to your direct damages, if any, and, in any event, shall not exceed the amount paid by you for the particular Wireless Services during any period of failure, delay, or nonperformance of the Wireless Services. 30.5. Confidentiality. All information or materials which could reasonably be considered confidential or competitively sensitive that you access from or relate to either Vendor(s) or Servicers related to the subject matter of these Wireless Services Terms will be considered confidential information. You will safeguard our confidential information with at least the same degree of care and security that you use for your confidential information, but not less than reasonable care.

30.6. Termination. In addition to any other provision in this Agreement, the Wireless Services being provided under this Section 30 may terminate:

- a) Immediately upon termination of the agreement between us (or our affiliates) and Vendor(s), provided that we will notify you promptly upon our notice or knowledge of termination of such agreement, provided further that if Vendor(s) loses its authority to operate less than all of the Wireless Services or if the suspension of any authority or non-renewal of any license relates to less than all of the Wireless Services, then these Wireless Services Terms will terminate only as to the portion of the Wireless Services affected by such loss of authority, suspension or non-renewal; or
- b) Immediately if either we or our affiliates or Vendor(s) are prevented from providing the Wireless Services by any law, regulation, requirement, ruling or notice issued in any form whatsoever by judicial or governmental authority (including without limitation the FCC).

30.9. Other Applicable Provisions. You also agree to be bound by all other terms and conditions of this Agreement.

There are places, particularly in remote areas, with no service at all. Weather, topography, buildings, your Wireless Equipment, and other conditions we don't control may also cause failed transmissions or other problems. 32.7. Amendment. We may modify any provision of this Agreement by providing written notice to you. You may choose not to accept the requirements of any such change by terminating the Agreement within twenty (20) days of receiving notice.
